In Loving Memory of

Patrick Christian Barbosa

(July 17, 1988 - July 15, 2009)

When I pass, speak freely of my shortcomings and my flaws. Learn from them, for I'll have no ego to injure. AORON MCGRUDER. Thank you for visiting my son Patrick Christian Barbosa. Please feel free to browse around. This site is dedicated to the memory of our beloved son, a brother to Steve, Frederick, and Kevin... and also a brother to Elsa; a boyfriend to Monica, an uncle to Alyana, Braelyn, Dion, Desiree, and Armani. Patrick is also a best friend to Steve and Ayo and many others. He is much loved, missed, cherished and will always be remembered by all his family and friends. We love you Patrick. "There is a sacredness in tears. They are not the mark of weakness but of power. They speak more eloquently than ten thousand tongues. They are messengers of overwhelming grief... and unspeakable love. WASHINGTON IRVING. Patrick used to spend most of his time sitting in front of his computer and playing the game, WORLD WARCRAFT. His brother, Frederick, now goes on his computer once in awhile to play the game. Patrick, I hope you are by your brother side when he is playing. I promise you I will not

*let him break your computer. He is just playing
the game for you. Enjoy your game. We love you.

JOURNEY OF SADNESS, EMPTINESS, AND LONELINESS.
SINCE OUR FATED MORNING, I STAND STILL WITH A
BROKEN HEART, A SHATTERED SOUL, A TORTUOUS LIFE
WHILE THE WORLD GOES ON. WHY PATRICK? WHY GOD?**

IN GENERAL:

A CHILD WHO LOSES A PARENT IS AN ORPHAN

A MAN WHO LOSES HIS WIFE IS A WIDOWER

A WIFE WHO LOSES HER HUSBAND IS A WIDOW

BUT WITH BEREAVED PARENTS:

THERE IS NO NAME TO DEFINE A LOSS OF A CHILD

THERE IS NO WORD TO DESCRIBE OUR PAIN!!! OUR AGONY!

BUT THERE IS FAITH WE WILL SEE AGAIN OUR LOVED ONES.

UNFORTUNATELY OUR PAIN WILL NEVER GO AWAY UNTIL

WE JOIN AGAIN OUR LOVING CHILDREN... ANGELS!!!

A JOURNEY TO HEALING:

THEY SAY TIME HEALS THE WOUNDS. THEN WHY DO I FEEL

SO LOST, SO ALONE EVERY MORNING I WAKE UP WITHOUT

MY SON PATRICK IN MY LIFE? WHY THIS HOLE IN MY

HEART? WHY THIS WHOLE IN MY SOUL FEELS DEEPER

EACH DAY I FACE THE WORLD WITHOUT MY SON PATRICK?

PATRICK I AM LOOKING FORWARD TO MEET YOU AT THE

GATE BECAUSE MY MIND DOES NOT UNDERSTAND MY LOSS

AS MY HEART FEELS THE PAIN. I CAN'T LET GO OF MY SON

BECAUSE I DON'T UNDERSTAND MY NEW LIFE OR YOUR

THE INVISIBLE CORD

We are connected, My child and I
by an invisible cord, not seen by the eye
It's not like the cord that connects us til birth
this cord can't be seen by any on earth
This cord does its work right from the start
it binds us together attached by my heart
I know that it's there, though no one can see
the invisible cord from my child to me
the strength of this cord is hard to describe
it can't be destroyed, it can't be denied
it's stronger than any cord man can create
it withstands the tests, can hold any weight
and though you are gone, though your not here with me
the cord is still there, but no one can see
It pulls at my heart, I am bruised, I am sore
But this cord is my lifeline as never before
I am thankful that God connects us this way
A parent and child, death can't take this away.

PATRICK LOVED SPENDING HIS QUIET MOMENTS IN FRONT OF HIS DESK TOP OR SOMETIMES WITH HIS LAP TOP. AND MOST OF THE TIMES ON THE COMPUTER, PATRICK WAS PLAYING THE WORLD WARCRAFT GAMES.

PATRICK COULD BE HOME ALONE AND NO ONE WOULD KNOW HE WAS HOME. THAT'S HOW QUIET MY SON WAS...A REAL ANGEL ON EARTH... AND TODAY PATRICK CONTINUES HIS ANGELIC JOURNEY WITH GOD. I JUST WISH I DID NOT HAVE TO ENDURE THIS HEARTACHE, FOR I NEEDED MY ANGEL SON, TOO. I MISS YOU PATRICK MORE THAN I CAN UNDERSTAND THE MEANING OR FEELING. MY SON PATRICK...HIS LIFE, PRESENCE, AND MEMORIES LIVE FOREVER!!!!

My son, Patrick loved Michael Jackson. The day Michael Jackson passed away, Patrick and I were watching the king of pop videos all day and night, and three weeks later, I lost my son. I have always loved Michael Jackson, but today he is a unique bond between my son and me. I will cherish that special moment in my heart and mind forever. I bought all of Michael Jackson's CD, DVD, and book I could find.

Today again, every time I go to visit Patrick at the cemetery, I have to play Michael songs for my beloved son. In the audio/video link on this site, I have some of Michael Jackson's music for my son.

Patrick was named after the actor Patrick Swayze whom I was very fond of his talents, personalities.

Patrick loved spending time at his computer, either playing his favorite game World War craft, listening to music or chatting on line with friends, but mostly playing his game. He was majoring in Computer Programming, and later on, hoping to transfer to URI to Engineering in Computer. Patrick enjoyed being at his computer so dearly. I bought him his first laptop in high school. When he went to College, he bought himself a desk top and practically lived by his computer. I don't even know how many keyboards and mouses he went through with his computer, just like with the dance revolution pads. Patrick was a gentle, wonderful, humble, very quiet young man; he was a laid back person... nothing bothered him. He left a **UNIQUE IMPRESSION** in this world that will live **FOREVER** in my heart and soul and so many people's lives. **LIFE** will never be the same **WITHOUT MY SON, PATRICK...** or the Holidays.

With sport, Patrick loved the dance revolution game. He went through over ten pads of the dance revolution game. I used to buy the pads; then Patrick took over when he started working. He never got tired of playing the dance revolution game. That was a great sport for him.

I just found out about Patrick's ringtone of his cellular phone, which is " Last Night" from Keyshia Cole. I have added the song with his other collections of music. Last Night is number 19 song. This is one of his greatest memories. Think about Patrick when you hear the song... you may just hear it when you least expected out of nowhere and know it's Patrick saying I am alive with God. You can't see me or hear me but I can... that's one of the greatest reward from Heaven. Do think of me as I never left you. Life continues in Heaven just a little different. Death is the beginning not the end... I still miss you all. Love, Angel Patrick Christian Barbosa.

Patrick's favorite color is blue. He painted his bedroom in blue. His brother, Kevin, favorite color is green, so he naturally painted his bedroom in green. These two brothers are thirteen months apart. I always dressed them as twins when they were young. Frederick, the elder brother, likes the color red. I believe Steve the oldest brother likes the color gray. I still have four sons in my life, my heart, and soul.

When it comes to food, Patrick loved to eat white bread, to drink chocolate milk, pineapple juice; he also loved to eat Pizza, brownies, chocolate cookies. Almost every Friday, Patrick had to order Pizza for him and his girlfriend Monica of three years. On weekend these two love birds would do some food shopping and bring it home to bake either some brownies or chocolate cookies, and sometimes they would bake a chocolate cake, especially on his birthday or Monica's birthday, or for a family. Patrick and Monica were a great team... a wonderful couple. And today, their dreams and hopes were snatched away without

warning. My hope for my loving son Patrick is gone, but his life and sweet, angelic memories will live on this earth, my life, my heart and soul FOREVER AND EVER... UNTIL I MEET MY PATRICK IN HEAVEN.

HEALTH CARE AWARENESS IN MEMORY OF MY SON PATRICK CHRISTIAN BARBOSA!!!

PLEASE RESPECT LIFE. DON'T RAPE IT FOR MONEY OR POWER.

LIFE IS A GIFT FROM GOD. PATRICK HAD A PURPOSE IN LIFE...

**A DREAM THAT HAD MATTERED...TO HIS MOTHER, TO HIM, HIS
FAMILY, AND HIS FRIENDS.**

DESPITE A SENSELESS ACT Of NEGLIGENCE... A SENSELESS WASTE Of PATRICK'S LIFE.

MY PRECIOUS SON WILL NEVER BE FORGOTTEN, FOR PATRICK LIVES ON!!!

THIS IS NOT JUST A MEMORIAL TO MY LOVING SON PATRICK, BUT A TRIBUTE TO PATRICK!

THE HEALTH CARE DEPARTMENT LET MY SON DOWN... WHY? TODAY MY LIFE IS EMPTY.

OUR WORLD IS SHATTERED...OUR LIVES WILL NEVER BE THE SAME WITHOUT PATRICK!

PLEASE JESUS, PROTECT MY SON, PATRICK IN YOUR KINGDOM, AND SEND HIM MY UNDYING LOVE, HUGS, KISSES, AND PRAYERS FOREVER.

God, please forgive me for my anger, but I can't accept my son demise... it's just unbearable, unthinkable, unimaginable... please show me the way to hope, understanding, and faith to endure my great pain...agony... my lonely journey. My mind does not understand my loss, but my heart feels my loss... my pain.

**MY BEAUTIFUL SON YOU BECAME A BUTTERFLY
TOO SOON. PLEASE BE AT PEACE AND HAPPY.**

FLY FREE!!!

THERE IS NO WORD TO EXPLAIN MY LOVE FOR YOU.

THERE IS NO VERB TO EXPLAIN MY GREAT LOSS.

THERE IS NO ADJECTIVE TO EXPLAIN MY TEARS.

THERE IS NO ADVERB TO EXPLAIN MY MISSING YOU.

UNTIL WE MEET AGAIN, YOUR POOR MOTHER HAS NO ANSWER.

BUT I HAVE PLENTY OF QUESTIONS PIERCING MY HEART.

WHY DID YOU LEAVE ME?

WHY THEY DID NOT HELP MY SON?

WHY DID THEY INFLICT THIS PAIN IN MY HEART?

WHY DID THEY SHATTER MY WORLD, MY LIFE?

WHY DO I HAVE TO FEEL SO EMPTY AND ALONE IN THIS UNKNOWN JOURNEY?

WHY? WHY? WHY?...

MY ANGEL, MAY YOUR LIGHT SHINE ETERNALLY IN HEAVEN!!

PLEASE LIGHT A CANDLE FOR MY LOVING SON PATRICK... It SOOTHES HIS

SOUL... IT PLEASES HIM. IT EASES MY BROKEN HEART, MY SHATTERED SOUL.

THANK YOU. GOD BLESS YOU!

MY BEAUTIFUL ANGEL PATRICK CHRISTIAN

FOREVER WITH MY EVERLASTING LOVE.

MAY GOD SHIELD YOU WITH ETERNAL LIGHT!

A BOUQUET OF FLOWERS FOR MY GUARDIAN ANGEL... MY SON
PATRICK CHRISTIAN. I LOVE YOU. I MISS YOU. I NEED YOU.

ONE OF MY BIGGEST FEARS IS THAT MY LOVING SON PATRICK WILL BE FORGOTTEN.

ONE OF MY BIGGEST JOY IS TO HEAR HIS NAME, HIS STORIES ABOUT HIS LIFE.

ONE OF THE GREATEST, TOUCHING GIFT ANYONE CAN GIVE ME AS HIS MOTHER IS TO SHARE WITH ME ON

HIS WEBSITE (OR PERSONALLY) MEMORIES OF MY BELOVED SON PATRICK, ESPECIALLY THE ONES I DON'T KNOW.

UNTIL GOD CALL ME HOME, I WILL LIVE TO KEEP THE MEMORIES OF PATRICK ALIVE AND VIBRANT IN THIS WORLD WITH GOD GRACE.

AS A MOTHER I OWE THIS GIFT OF LOVE FROM GOD TO MY SON PATRICK FOR MY ETERNAL LOVE FOR HIM, FOR THERE WOULD BE NO CLOSURE TO MY GREAT LOSS, MY PAIN, MY GRIEF UNTIL I JOIN HIM.

MY GRIEF IS MY INNER-SELF DEVOTION TO KEEP PATRICK ALIVE AND VIBRANT IN MY HEART, SOUL, LIFE... THE WORLD.

PLEASE MENTION MY SON PATRICK'S NAME
IT SOOTHES MY BROKEN HEART
IT HEALS MY SHATTERED SOUL
IT BRIGHTENS MY DARK SHADOW

PLEASE TALK ABOUT MY SON... HIS SWEET MEMORIES
It LESSENS MY DEPRESSION
It CLEARS MY DARK MOMENTS
IT HELPS BRING MY FAITH BACK
IT BRINGS JOY, SMILE, LAUGHTER INTO MY GLOOMY JOURNEY

PLEASE WRITE ANY MEMORY YOU HAD WITH MY SON PATRICK
IT BRIGHTENS MY DAY
IT LIFTS UP MY SPIRIT
IT HASTENS MY HEALING

THANK YOU... THANK YOU
GOD BLESS YOU ALL

A LOVE OF A CHILD IS AN UNBELIEVABLE FEELING OF JOY AND PROUD

ANGELS OF GOD PLEASE WATCH OVER PATRICK

A SILENT THIEF

A silent, cruel thief named death, came over one morning and snatched my loving son Patrick without mercy or remorse for me or my son.

The piece of my womb is gone far away under the twilight zone of death
Life will never be the same

How am I supposed to live a shattered life with no return of normalcy
How am I supposed to live with a wounded womb with no cure
How am I supposed to live with the missing puzzle of my life

How am I supposed to live with this empty hole in my chest

They say this silent thief happened because of Adam and Eve, the sour juice of death
Are we to be blamed for the destruction of Satan
Are we to be blamed for the disobedience of Adam and Eve
Am I to be blamed for the deadly act that Adam and Eve had caused way before my time

How am I supposed to live a shattered life with no return of normalcy
How am I supposed to live with a wounded womb with no cure
How am I supposed to live with the missing puzzle of my life
How am I supposed to live with this empty hole in my chest

God, I am not challenging Your virtue of fate or destiny
But my broken heart does not know or understand Your virtue
My heart only understands sadness and sorrow from the loss of my son Patrick
My heart is aching endlessly in the stream of my sadden tears
Oh God, forgive me for my selfish thoughts
I am just a lost sinner in the valley of death
A lost mother in the river of my sorrowful tears
A lonely angel in the darkness of my gloomy life

How am I supposed to live a shattered life with no return of normalcy
How am I supposed to live with a wounded womb with no cure
How am I supposed to live with the missing puzzle of my life
How am I supposed to live with this empty hole in my chest

Forever in my heart. Love, Mom

The background of the entire image is a textured, mottled olive-green or taupe color. In the upper right quadrant, there are two roses. The one on the left is smaller and more tightly closed, while the one on the right is larger and more open, showing its petals. Both roses are rendered in a soft, painterly style, blending into the background texture.

Two roses are positioned in the upper right quadrant of the image. The rose on the left is smaller and more tightly curled, while the one on the right is larger and more open, showing its petals. They are set against a mottled, olive-green background that has a soft, painterly texture. The lighting is diffused, creating a gentle glow around the flowers.

Two roses are positioned in the upper right quadrant of the image. The rose on the right is larger and more open, while the one on the left is smaller and more tightly closed. They are set against a mottled, olive-green background that has a fine, grainy texture, resembling aged paper or a watercolor wash. The lighting is soft, creating gentle shadows and highlights on the petals of the roses.

Condolences

from the deepest of our hearts...

May the Lord bring you special peace today .. i know how much it hurts...((HUGS)) Janet

THINKING OF YOU

May 8, 2010

Thinking of you on this MOTHER'S day..it's so hard this is my first year without my son. He wont be bringing me my rose and he wont be here to give me my hug. I am so depressed at this time I just wanted you to know I know exactly what your'e going/been thru. I wish I could bring all our children back even for just one day so we can tell them how much we love them and how much our lives have forever changed without them. All we can do is pray for God to help us deal with this painful never ending grief in our hearts.I also thank GOD for the wonderful people like you, who have helped me along the way. thank-you so much for all the candles and beautiful words you send my SON. GOD BLESS YOU AND YOUR FAMILY. HAVE GOOD MOTHER'S DAY THINKING OF ALL THE BEAUTIFUL MEMORIES YOUR SON GAVE YOU.

Sorry its been so long since I last left a candle or a graphic, but I have not had my computer. I kept you and your Patrick in my heart and in my prayers. Hugs and love to you both.

A Mother's Prayer

Lord, today is Mother's Day, but my heart is split in two.

Half is with the child still here,

The other with the child that is now there with you.

All the lovely presents are a nice surprise,

But the one thing I want most is missing,

And tears fill my eyes.

I know when you sent him, Lord,

You didn't promise how long he would stay.

All you said was to love him and treasure each and every day.

But Lord, it crushed my heart when you called for his return.

I feel like half a Mom, as I ache, weep and yearn.

But Lord, tell him I love him just as much as I did before.

And could you please make a window,

so he can see through heaven's door ?

Let him see that he is missed and thought of with each breath.

And that a Mother's love begins before life, and does not end with death.

So, on this Mother's Day, the Greatest Gift, I give to you.

For Lord, I know you missed him and you loved him, too.

A MOTHERS LOVE

"A mother's love is special
It's present every day,
A gift that came from heaven
That God has sent our way.
Her job is never ending
She's there all day & night,
To be there for her children
And be their guiding light.
Her thoughts are with them always,
Even if they are apart,

Her children have a special place
Deep down inside her heart.
Mother's are a special gift~
A gift from up above,
This world would seem so empty,
Without a Mother's Love."

Dandelions from Heaven

Mothers day is coming And I wanted to send you a sign
something you can tell others; "Is from an angel of mine
So I searched the heavens high and low for that perfect thing....
And low and behold I found it.... And a smile I hope it will bring.

So when you look to the heavens and see the yellow stars in the sky
Just think of me your angel... in the heavens way up high
And just imagine those stars; are dandelions up above.
Yes! Dandelions are also in heaven; which you know how much I love.

So on this mothers day and you awake and feel blue....
You will notice those yellow stars... are no longer in view.
So look to the meadows and the dandelions you see...
Are the ones I've tossed down this mothers day from me.

And when you find a dandelion that has turned from yellow to white;
You're supposed to make a wish and then blow with all your might.
For you will be blowing kisses to me in heaven above....
And I will be catching them and blowing them back sent with all my love.

Please know that I am with you.... on this mothers day....
And also in the days ahead.... God and I will never stray.
We will be with you in the morningwhen you awake and see the sun....
We will be with you when you say your prayers when the day is done.

For God and I will never be very far from your side....
For I can now be everywhere.... and God will be your guide.
So.... remember when you see dandelions it is your guarantee
That I am always close to you.... for dandelions are free to roamnow just like me.

I will always be with you mom....
Happy Mothers Day....
Love your angel in heaven.

A WHISPER TO MY MOM

LOVE, YOUR SON PATRICK

HAPPY MOTHER'S DAY

Mom I understand you can't see me

But I can see you

I understand you miss me

I miss you more

I understand you feel sad, empty, alone

But understand you are never alone

Mom though I feel sad seeing my mom unhappy

I am still happy being with God, Jesus, and Blessed Mother

And one day you will understand everything when your time comes

To be with God, His Angels, and me

Mom I know you love me

I love you more

Until you join me I will always be by your side

And whisper my greatest love for you

Mom, clear your mind so you can see me in your dreams more often

**And think positive, so you will be able to feel my presence, my love for
you.**

And to let you know that I am still alive

Your son Patrick will always be with you in spirit

Mom just remember I only move away to another universe

And I will wait for my beautiful mom when your day comes to move
away.

I will be waiting for you with open arms to receive

My mother back in my life... our eternal life, home with God

Mom just have faith in God

And believe death is not a termination

But only a transition to another life with God

Our Father who had created us to only experience this earthly life

And learn from one another before returning back home to Him

Mom you know we are bonded forever by love as God had intended

When He gave you your son as a gift of love

A love that will never die but grow deeper and fonder in our soul

Mom I understand you are confused for returning your gift to God

Again you will understand clearly the truth about life and death one day

Mom I understand our separation will always hurt you but not forever

We will meet again... a promise from God... Our Father

Until then... you will not walk your journey alone

I am here to wish you...

HAPPY MOTHER'S DAY MY SWEET MOM,

YOUR LOVING SON Patrick

*"Happy Mother's Day" means more
Than have a happy day.*

*Within those words lie lots of things
We never get to say.*

*It means I love you first of all,
Then thanks for all you do.
It means you mean a lot to me,
And that I honor you.*

*But most of all, I guess it means
That I am thinking of
Your happiness on this, your day,
With pleasure and with love.*

A Mother's Day Wish From Heaven

I am writing to you from heaven, and though it must appear
A rather strange idea, I see everything from here.
I just popped in to visit, the stores to find a card
A card of love for my mother, as this day for her is hard.

There must be some mistake I thought, every card you could imagine
Except I could not find a card, from a child who lives in heaven.
She is still a mother too, no matter where I reside
I had to leave, she understands, but oh the tears she's cried.

I thought that if I wrote you, that you would come to know
that though I live in heaven now, I still love my mother so.
She talks with me, and dreams with me; we still share laughter too,
Memories our way of speaking now, would you see what you could do?

My mother carries me in her heart, her tears she hides from sight.
She writes poems to honor me, sometimes far into the night
She plants flowers in my garden, there my living memory dwells
She writes to other grieving parents, trying to ease their pain as well.

So you see God, though I no longer live on earth
I must find a way, to remind her of her wondrous worth
She needs to be honored, and remembered too
Just as the children of earth will do.

Thank you God, I know you'll do your best
I have done all I can do; to you I'll leave the rest.
Find a way to tell her, how much she means to me
Until I can do it for myself, when she joins me in eternity.

~ Love Patrick ~

Dear mom to handsome Patrick. I speny all last night reading Patricks memorial website... I felt a huge pain in my heart as it broke into a million pieces whilst i was reading everything you wrote... My tears would truely not stop pouring.

I could relate to every single word you wrote sweetie... You touched me so deep in my heart that i felt myself just wanting to hold you and give you a big hug, if i had one wish it would be to bring our children back to us... and bring your beautiful son Patrick back to you... I am so sorry for your pain.. Please know that Patrick will never be forgotton, our children are to precious to be forgotton. We keep there memories alive until we are with them again. There are words that you wrote that are so true about what we have

learned since we lost our children... I lost my son wasim to sudden death and i still feel angry, guilty, mad with alot of people.. he passed away while he was on holiday in yemen. And the family buried him without my consent in yemen for this i hate them all...

You love your son Patrick so much and anyone can see that. He must be so proud of you my friend and all your boys. Take care and know everywhere you walk Patrick walks alone side you.

April 27, 2010

You have lit so many candles on my son's website, I figured it was time, I came to visit you. I am so very sorry, you have to walk along this long and lonely path. This is a journey, I do not wish on any parent! It is so obvious, you loved your beautiful son Patrick, very very much! It is a long and painful journey but, I know, it is a doable journey. I have learned through the over 11 years since the death of my son Deryk that, life does indeed get better. I used to wish, I had died when Deryk died. I couldn't find a good reason to get out of bed. Always singing, I could no longer find it in my heart to sing anymore. Slowly, oh so painfully slowly, life started to come back into my heart. At some point, I realized, I no longer wished to die. I could get out of bed, without any prompting. Then one day driving in my car, I realized I was singing. It made me stop cold and I cried, for the remaining ride. How could I be singing, when my son was dead! It took me a while to get over that guilt but, I now sing regularly. Our son's want us to go on! Deryk would come down here and kick my ass if, I had continued on living as I was! Have faith that one day, you will see your beloved Patrick again. Give yourself time, you will never forget but, you will learn to live again.

A Newborn's Conversation with God

A baby asked God, "They tell me you are sending me to earth tomorrow, but how am I going to live there being so small and helpless?"

God said, "Your angel will be waiting for you and will take care of you."

The child further inquired, "But tell me, here in heaven I don't have to do anything but sing and smile to be happy."

God said, "Your angel will sing for you and will also smile for you. And you will feel your angel's love and be very happy."

Again the small child asked, "And how am I going to be able to understand when people talk to me if I don't know the language?"

God said, "Your angel will tell you the most beautiful and sweet words you will ever hear, and with much patience and care, your angel will teach you how to speak."

"And what am I going to do when I want to talk to you?"

God said, "Your angel will place your hands together and will teach you how to pray."

"Who will protect me?"

God said, "Your angel will defend you even if it means risking its life."

"But I will always be sad because I will not see you anymore."

God said, "Your angel will always talk to you about Me and will teach

you the way to come back to Me, even though I will always be next to you."

At that moment there was much peace in Heaven, but voices from Earth could be heard and the child hurriedly asked, "God, if I am to leave now, please tell me my angel's name."

God said, You will simply call her, "Mom."

July angel~ Patrick

April 19, 2010

The angel of July brings a season of leisure, a time to play and replenish our energy.

The projects we began in the spring should be well underway and growing stronger on their own. July's angel urges us to take the time, now, to step back and observe what we have planted. The July angel encourages us to tend to the garden of our life, to care for what we have started, and to be objective enough to weed out the unhealthy or unproductive elements.

This angel of summer reminds us to nurture the people and things that bring us happiness, so we can produce for ourselves a crop of joy and fulfillment.

Every cell in my body witnessed you
saying goodbye
That final touch...
That final smile...
That final thought that spoke a
million lines...
Lines of language without sound,
A language so much deeper than
the mind!
You were there, to wipe my tears, to hold
my hand, to calm my fears...
Through your eyes you showed me Love,
Love much deeper than the human heart,
From the heavens up above, like an
Angel's touch,
from dimensions unrealized...
You followed the light,
You spread your wings without fear,
without grief,
and reached for the stars...your journey to
the Eternal Self!
You always said: "Life is but a chase

Thinking of you and your angel

April 8, 2010

I think of you and your precious son often. He and my daughter were born in the same year. I pray they have met in heaven. I am so very sorry for your loss. You are going through all the first's without your precious son and it is such a painful journey. It is good that you can share it with others who understand that the loss of a child is a grief like no other. We carry our children close to our hearts before they are born and we continue to carry them in our hearts as we watch them grow and mature. I remember very little from that first year except the horrible pain of losing my precious child. It is a pain that is difficult to put into words. My heart goes out to you. Thank you for all the beautiful candles you light for my Lauren. I miss her so much as you must miss your son Patrick.

Please know that my thoughts are with you and I carry your son Patrick in my heart.

Lost Mom...

April 7, 2010

Dear Lost Mom,

I'm so sorry to read your loving words you write...I can feel how much you are hurting and how angry you are! The first three years of my daughters passing was

so hard...your words are echo's to my ears and heart! Your in a world of grief, a world of sorrow, a world of anger, a world of lonlieness, a world of hate, your living, but your not living!

Your son hasn't even been gone a year...everywhere you look, your reminded of him, everywhere you go, your reminded of him, you want to talk about him, so you don't forget him.

Just know all your feelings and thoughts are normal...and never will you forget him, nor anything about him. The best advise I can give you is to grief the way you have to, and talk of him as much as you want to. Talking about him, will help release your fears, your anger, and your hate! After all when you mention his name, how could you feel anything but love!

I'm so sorry you have to go through this and the worse part is...for people who have never lost a child, they can only IMAGINE what your going through...there is no way a person can feel the dark

hole that a parent or even a grandparent feels when a child dies!

Anytime, you want to talk, or if you'd like to share your sons life with me, I'd be glad to listen and I'd be honored to share thoughts and things of my daughter with you. My e-mail is www.polopool@yahoo.ca

I hope for your birthday you get to feel the presences of your son, and may God grant you the strength to help you to heal!

Sending you a big big hug XO

IN THE SOFT AND DUSKY EVENING

March 26, 2010

In the soft and dusky evening, Angels all around me fly...
I can see their wings of moonlight, I can hear the songs they sigh...
Through that troubles that assail me, in this place of tears and woe, may I feel their soft embraces with me everywhere I go.
Let me always 'see' my Angels...let me always 'feel' their love. Know that they are always with me, Heavens helpers from above.
In the evening of my sojourn, comes the time I must depart, may my Angels cluster closely, weaving peace around my heart.
In the soft and dusky evening, Angels all around me fly...
I can see their wings of moonlight, I can hear the songs they sigh...
"Are you there"....I whisper. No answer comes to stir the evening soft and fair.
"Are you there?".... I ask again. Silence spreads its balm on heavy summer air.
"You see I really need you!...need to know your really there....need to feel your comfort and compassion...for burdens much too heavy for me alone to bare"....
Again no answer.
Slowly and Sadly I rise, and run distracted fingers through my hair.
What's this?....a soft and downy feather, white as drifting snow and sparkling like frost in winters air!
Thank you! Oh thank you.....for answering my prayer

HAVE A BEAUTIFUL WEEKEND. ALL MY LOVE TO YOU AND YOUR BELOVED ANGEL.
XOXO

INEVITABLE REALITY

March 22, 2010

**Inevitable Reality
by Liz Waller**

**The clouds move on, the earth turns grey;
The happiness I felt, has quickly gone away;
The whisper of the wind, seems to call my name;
I try to respond, but it seems I'm not the same;**

Time elapses slowly, into the universe;
It's definitely not a pleasure, nor is it a curse;
Nothing seems to matter, no one seems to care;
I reached out to touch you, but you're not really there;
Everything I see, and everything I feel;
Sometimes seems like a dream, where nothing there is real;
I grasp onto reality, and try to play this game;
But every single thing, always remains the same;
The mist is finally fading, the truth is here to stay;
The illusions are finally passing, the lies have gone away;
But reason cannot save me, tears will not heal;
I've giving it some time, to see what will be revealed;
No one has the answers, no one holds the key;
I'm wishing for a miracle, that you'd belong to me;
Until then, I'm lost with my solitude;
Lost in this window, with no view.

ALL MY LOVE XOXO

Memories in my Heart

Within my book of memories,
Are special thoughts of you.
And all the many nice things
You often say and do -

As I turn the pages,
And recall each single thought,

I realize the happiness
That knowing you has brought.

There are memories of happiness
Both bright and sunny days.
There are memories of your kindness
And your friendly thoughtful ways.

There are memories of all the emails,
we send to to each other
A kind word or a silly thought
from one friend to another!!

And when I recall these memories
As I go along life's way,
I find they grow more precious still
With every passing day.

Thank you so much, for all the kind words & beautiful graphics you leave for my Waylon and myself. Each one means so much to me. I keep you in my thoughts, my heart and in my prayers each and every day! I wish you beautiful blessings my Dear Friend! God Bless!

"SITTING SILENTLY BESIDE A FRIEND WHO IS HURTING MAY BE THE BEST GIFT WE CAN GIVE"

AUTHOR UNKNOWN

"Keeping your precious Patrick close to my heart"

Thank you for all the words of love & encouragement, and condolences!

JESUS LOVES US ALL SO MUCH

Jesus loves us all so much
That He would bleed and die
He took upon His beaten back
The cross that saw Him crucified

Yes He loved us all so much
That He was scorned and scoffed
He took it all upon Himself
For it was the will of God

God knew it was the only way
The final sacrifice
Jesus Christ a sinless man
Would need to give His life

And even in the gift He gave
We still have not yet known
The fullness of His mighty love
And the grace so freely shown

All He asks is that we all
Repent and follow Him
For He has made the way for us
Free from hurt and sin

Yes God loved us all so much
And yes He loves us still
He longs for us to trust in Him
And do the Fathers will

**The Monarch
Jessi Hersey**

**A single Monarch butterfly
floats so-silent-soft to earth;
carried by the breeze
to land on my outstretched hand.**

**Gazing at the majestic painted wings,
I am consumed by memories:
of releasing Monarchs in remembrance of
your free spirit,
and of the one butterfly
that would not leave, clinging to me.**

**"That's My Angel!"
Mom had said.
I blink, and no longer see the insect,
but your face, the
angelic features that I have missed.**

**You smile at me,
warm brown eyes all aglow,
and I can't help but smile in return.**

**Looking up, I find myself
not in my world,
but in yours:
a world of indescribable and unimaginable beauty.**

Your small, warm hand grasps mine,
pulling me down a path
lined by glittering butterflies.

"Follow me!"

I do, and on the way we talk,
me of home,
and you of Heaven.

Being around you after all this time
becomes too much, though,
and tears blur my vision, threatening to spill.

You smile up at me,
"Please don't cry"
and I see that you are near to tears yourself.

Always the protective one,
I manage to stay my tears
and throw my arms around your tiny frame.

"I thought I'd never see you again,"
my voice is barely a whisper.
You look me straight in the eye.
"I'll never leave you," you promise.
"Never!"

Looking farther down the path,
I spot a door of light,
shimmering gloriously ahead.

"What is that?" I ask you.
Smiling still, you reply:
"That is where I live,

where I must go."

And in a flash of light, you are through the door,
and I know I cannot cross with you.
I don't belong here.

All of a sudden, I'm back where I started,
the Monarch gracefully fluttering
upward, circling my head
before disappearing into the sky above.

"Why couldn't you just stay here?" I ask,
although I already know the answer.

You were not meant to live here on Earth,
just as I could not follow you into Heaven.
Remembering your promise, I smile to myself.
Some day, I will pass through that door,
but not today.

THANK YOU FOR ALL THE CANDLES, TRIBUTES AND PICTURES YOU LEAVE FOR MY
ANGELS. IT MEANS SO MUCH TO ME. I DON'T KNOW WHERE I WOULD BE WITHOUT
ALL YOUR LOVE AND SUPPORT. GOD BLESS YOU. HAVE A WONDERFUL WEEKEND.

IGRA NAŠIH ANĐELA....

The sunset along my horizon,  
is the rising sun above your hills.  
it brings the night; a dark illusion,  
as it welcomes your morning and your day it fills.

During these moments i tend to wonder...

When you walk home late at night,  
along the empty cobblestone streets,  
and the sun peaks through the landscape into site,  
Do you think of me?

With a pack on your back and trails at your feet,  
all the creatures, the streams and beauty you see,  
during cultural traditions and with all the new people you meet,  
Do you think of me?

When awe of nature's creations take your breath away,  
and your ears are filled with sweet melody  
of the wind, and willows, and booming waterfalls forte,  
Do you think of me?

Well...

When my night falls and darkness surrounds me,  
I think of your day and pray that its great.  
When the morning light is in site and the sun comes to greet me,

I hope it left you a colorful sunset and in a peaceful state.  
As I travel and go about my life with laughs and smiles,  
I imagine where you are and that you are smiling too.  
If trials and tribulations obstruct my path, or if I've had a bad day,  
I think of you and hope that maybe once in a while, along your way---  
You think of me too.

***THE SKY IS FILLED WITH ANGELS***

***March 3, 2010***

The sky is filled with Angels  
With puffy lacy wings  
The remnants of God's beauty  
With treasures they now bring

Each one of them a Guardian  
That travels in the sky

To watch throughout eternity  
Their parents from on high

Smiles that come from Angels  
They fall like crystal rain  
Eases earthly burdens  
Lifting all life's pain

Halos so astounding  
That glitter gold each day  
Following their loved ones  
In such a perfect way

Wings in gentle breezes  
That fall from up above  
Kissing every parent  
With everlasting love

Angels soar through heaven  
With everlasting light  
Looking down from heaven  
Saying their "goodnights"

Kissing all who loved them

So gently on the face  
This life's tender mercy  
Each parent can embrace

Wings and shiny halos  
Travel from on high  
Surrounding all their loved ones  
They never say good-bye.

MY THOUGHTS AND PRAYERS ARE WITH YOU AND YOUR FAMILY. GOD BLESS YOU  
ANGEL AND YOUR FAMILY. XOXO ALL MY LOVE GLORIA AND AND MY BEAUTIFUL

### **Awake, My Child**

**Awake, My Child! Your days begun!  
The darkness turns to morning sun.  
Each tear you cried was like the rain.  
It made you grow despite the pain.  
This is the day your dreams come true.  
Get out of bed -  
They wait for you!  
For every dream that ever died...  
For every fear you ever cried...  
God's dreams were bigger!**

<sup>12</sup> Now if [Christ](#) is proclaimed as raised from the dead, how can some of you be saying that there is no resurrection of the dead?

<sup>16</sup> For, if the dead are not raised, neither is Christ;

<sup>17</sup> and if [Christ](#) has not been raised, your [faith](#) is pointless and you have not, after all, been released from your sins.

<sup>18</sup> In addition, those who have fallen asleep in [Christ](#) are utterly lost.

<sup>19</sup> If our [hope](#) in [Christ](#) has been for this [life](#) only, we are of all people the most pitiable.

<sup>20</sup> In fact, however, [Christ](#) has been raised from the dead, as the [first-fruits](#) of all who have fallen asleep.

## WISHING YOU A HAPPY VALENTINE JOURNEY!

TRUE.

THE LOVE THAT IS IN A PARENT'S HEART STAYS DEEP, STRONG AND

NO MATTER WHERE YOU GO, THAT LOVE IS THERE WITH YOU.

EDGAR CAYCE

HEAL;

CONSIDER A

IN

THE SORROW FOR THE DEAD IS THE ONLY SORROW FOR WHICH,  
WE REFUSE TO BE DIVORCED. EVERY OTHER WOUND WE SEEK TO

EVERY OTHER AFFLICTION TO FORGET; BUT THIS WOUND WE

DUTY TO KEEP OPEN; THIS AFFLICTION WE CHERISH AND BROOD OVER

SOLITUDE.

WASHINGTON IRVING

A SORROW OF A LOSS OF A CHILD IS AN INDESCRIBABLE DEEPNESS  
IN THE HEART AND SOUL.

A SORROW OF A LOSS OF A CHILD IS AN UNBEARABLE PAIN, AGONY.

A SORROW OF A LOSS OF A CHILD IS AN UNTHINKABLE JOURNEY  
FOR WE PARENTS NEVER THOUGHT FOR ONCE WE WOULD BURY OUR  
CHILD...

UNFORTUNATELY OUR LOVE FOR OUR CHILDREN OVERPOWER THE LOGIC  
OF NATURE, FATE, OR DESTINY, FOR WE ARE ONLY LOST SINNERS AND  
PARENTS.

FORGIVE US GOD FOR UNKNOWINGLY FORGETTING YOUR WILL

GOD HELP ALL BEREAVED PARENTS TO HAVE THE STRENGTH,  
WILLPOWER TO BEAR OUR UNBEARABLE PAIN, AGONY, JOURNEY.

JESUS, BLESSED MOTHER SHOW ALL BEREAVED PARENTS THE WAY

LOVING YOU IS A GIFT OF JOY  
LOSING YOU IS A PRICE OF LOVE  
MISSING YOU IS MY ENDLESS, UNDYING LOVE  
I CAN'T ACCEPT THIS POEM BELOW, FOR LOVE IS FOREVER  
BECAUSE DEATH IS NOT A TERMINATION BUT A  
CONTINUATION  
TO ANOTHER UNIVERSE WITH GOD, JESUS, BLESSED MOTHER...

MISS ME... IT IS EASIER TO SAY THAN TO ACCEPT IT... I CAN'T LET YOU GO,  
SON.

When I come to the end of the road  
And the sun has set for me  
I want no rites in a gloom filled room  
Why cry for a soul set free  
Miss me a little - but not too long  
And not with your head bowed low  
Remember the love that we once shared  
Miss me - but let me go  
For this is a journey that we must all take  
And each must go alone  
It's all a part of the Master's plan  
A step on the road to home  
When you are lonely, and sick of heart  
Go to the friends we know  
And bury your sorrows in doing good deeds  
Miss me - but let me go

I wanted to say that I am so very sorry for your loss of your precious son. I too loss boy at a very young age 20 in a very tragic car accident. I know exactly what you are going through when you speak of anger, confusion etc. and how we are left to mourn the ultimate pain of grief for our beloved sons! In reading your story in how Patrick loved Michael Jackson and passed away several weeks after, I thought about my son as well. One late morning Allen came out of the shower and told me and my daughter that Michael Jackson had passed away and of course we just didn't believe him and joked with him in how he believes every forward texts he receives. Then later the news breaks in with the death of Michael Jackson. I just thought to share that as we too were on the same topic during those tragic times.

I learned about my son's accident on the morning news that ugly hot summer morning at 8:00 a.m. I was watching the morning news when I witnessed my son's x-tera flipped over! I just knew as a mother that it was my son! I went crazy and remembering just vomiting with nerves and fear of

what came next! This is also not a very good way for a mother to learn of her child's death! So like you I am so very angry, confused, hurt and depressed as to why????

Your sweet angel by now has met mine and they both among there angel friends will forever be in our hearts. Remember that with Christ there are no goodbye's or ends and one day we will see our beautiful boy's again. That's what I hang on too to keep sane! So please underneath all your pain and agony; keep the faith.

It's been hard as I am sure it has been for you too, and if you like to talk please e-mail me at [Norma5474@yahoo.com](mailto:Norma5474@yahoo.com)

**I've learned that ...**

**"I've learned that you cannot make someone love you. All you can do is be someone who can be  
loved. The rest is up to them.**

**I've learned that no matter how much I care, some people just don't care back.**

**I've learned that it's not what you have in your life, but who you have in your life that counts.**

I've learned that you can get by on charm for about 15 minutes. After that, you'd better know something.

I've learned that you shouldn't compare yourself to the best others can do, but to the best you can do.

I've learned that it's not what happens to people that's important. It's what they do about it.

I've learned that no matter how thin you slice it, there are always two sides.

I've learned that it's taking me a long time to become the person I want to be.

I've learned that it's a lot easier to react than it is to think.

I've learned that you should always leave loved ones with loving words. It may be the last time you see them.

I've learned that you can keep going long after you think you can't.

I've learned that we are responsible for what we do, no matter how we feel.

I've learned that either you control your attitude or it controls you.

I've learned that regardless of how hot and steamy a relationship is at first, the passion fades and there had better be something else to take its place.

I've learned that heroes are the people who do what has to be done when it needs to be done, regardless of the consequences.

I've learned that learning to forgive takes practice.

I've learned that there are people who love you dearly, but just don't know how to show it.

I've learned that money is a lousy way of keeping score.

I've learned that my best friend and I can do anything or nothing and have the best time.

I've learned that sometimes the people you expect to kick you when you're down may be the ones to help you get back up.

I've learned that I'm getting more and more like my grandma, and I'm kinda happy about it.

I've learned that sometimes when I'm angry I have the right to be angry, but that doesn't give me the right to be cruel.

I've learned that true friendship continues to grow, even over the longest distance. Same goes for true love.

I've learned that just because someone doesn't love you the way you want them to doesn't mean they don't love you with all they have.

I've learned that maturity has more to do with what types of experiences you've had and what you've learned from them and less to do with how many birthdays you've celebrated.

I've learned that you should never tell a child her dreams are unlikely or outlandish. Few things are more humiliating, and what a tragedy it would be if she believed it.

I've learned that your family won't always be there for you. It may seem funny, but people you aren't related to can take care of you and love you and teach you to trust people again. Families aren't biological.

I've learned that no matter how good a friend someone is, they're going to hurt you every once in a while and you must forgive them for that.

I've learned that it isn't always enough to be forgiven by others. Sometimes you have to learn to forgive yourself.

I've learned that no matter how bad your heart is broken the world doesn't stop for your grief.

I've learned that our background and circumstances may have influenced who we are, but we are responsible for who we become.

I've learned that sometimes when my friends fight, I'm forced to choose sides even when I don't want to.

I've learned that just because two people argue, it doesn't mean they don't love each other. And just because they don't argue, it doesn't mean they do.

I've learned that sometimes you have to put the individual ahead of their actions.

I've learned that we don't have to change friends if we understand that friends change.

I've learned that if you don't want to forget something, stick it in your underwear drawer.

I've learned that you shouldn't be so eager to find out a secret. It could change your life forever.

I've learned that the clothes I like best are the ones with the most holes in them.

I've learned that two people can look at the exact same thing and see something totally different.

I've learned that no matter how you try to protect your children, they will eventually get hurt and you will hurt in the process.

I've learned that there are many ways of falling and staying in love.

I've learned that no matter the consequences, those who are honest with themselves, get further in life.

I've learned that many things can be powered by the mind, the trick is self-control.

I've learned that no matter how many friends you have, if you are their pillar, you will feel lonely and lost at the times you need them most.

I've learned that your life can be changed in a matter of hours by people who don't even know you.

I've learned that even when you think you have no more to give, when a friend cries out to you, you will find the strength to help.

I've learned that writing, as well as talking, can ease emotional pains.

I've learned that the paradigm we live in is not all that is offered to us.

I've learned that credentials on the wall do not make you a decent human being.

I've learned that the people you care most about in life are taken from you too soon.  
I've learned that although the word "love" can have many different meanings, it loses value when  
overly used.  
I've learned that it's hard to determine where to draw the line between being nice and not hurting  
people's feelings and standing up for what you believe.  
I've learned that no matter how fast or how far you go, you can't outrun God.  
I've learned that no matter how far away I've been, He'll always welcome me back.  
I've learned that love is not for me to keep, but to pass on to the next person I see.  
I've learned that even if you do the right thing for the wrong reason, it's still the wrong thing to do."

Spread your wings and Fly.....You are Free!!

Birds handcrafted from the wings of an angel,  
water running freely in the streams.  
Sunshine shimmers in radiance;  
How could so much beauty be an accident?  
Each smiling child's face,

full of curiosity,  
seeks out wonders and grandeur.  
Like a child's eyes,  
our hearts are searching for some kind of hint,  
a hint of God.  
(If you look, Nature's arms will enfold you.)  
Stars are whispered into moonlight  
as a day well-lived is fading.  
The sun is sinking,  
the colors streaking brilliantly across the sky  
like ribbons.  
Do not embrace, rather  
be embraced, enfolded, wrapped in the arms  
of beauty, of His Creation.  
We all search for a framed, definite picture  
  
of Heaven.

I can guarantee, your best bet  
is right before your very eyes.

The sky is filled with Angels  
With puffy lacy wings  
The remnants of God's beauty  
With treasures they now bring

Each one of them a Guardian  
That travels in the sky  
To watch throughout eternity  
Their parents from on high

Smiles that come from Angels  
They fall like crystal rain  
Eases earthly burdens  
Lifting all life's pain

Halos so astounding  
That glitter gold each day  
Following their loved ones  
In such a perfect way

Wings in gentle breezes  
That fall from up above  
Kissing every parent  
With everlasting love

Angels soar through heaven  
With everlasting light  
Looking down from heaven  
Saying their "goodnights"

Kissing all who loved them  
So gently on the face  
This life's tender mercy  
Each parent can embrace

Wings and shiny halos  
Travel from on high  
Surrounding all their loved ones  
They never say good-bye.

### My son's fate

One precious life is gone, and a family's life is shattered needlessly.  
Respect life, don't rape it for money or power, for life is priceless,  
precious... Patrick's life had mattered a lot to him and to his family.

Emergency room means life centered unit for any helpless human being  
who walks in there to seek help, for life on earth happens only once.  
And when that precious life is cheated recklessly, senselessly, it is gone  
With no turning back.

But Patrick lives on FOREVER, for love never ceases but grows deeper. Patrick lives on in our hearts, minds, souls, and lives forever despite the horrible, unbearable tragedy.

I miss you, Son so deeply. Patrick, please help me help myself with this anger that is eating me alive. Show me a sign that you are all right, safe, happy, and at peace with God, Jesus, and Blessed Mother in that glory home called Heaven.

I desperately need that glorious sign in order to try to search my faith that has slipped away from me the moment I found my son lifeless in bed. I desperately need to find my way to heal me emotionally, physically, and most of all spiritually.

I do believe in Heaven but not this torturous, unbearable agony, pain that I am feeling from losing my precious son who just wanted to be helped, for you had a dream and hope to follow as my heart did for you.

Give God, Jesus, and blessed Mother the message from my bleeding heart to forgive me and show me the way... for my way is too painful to accept, understand or grasp. Tell Jesus to give me the strength and faith to carry my cross gracefully, for I am just a lost sinner... a lost mother to understand the virtue of my cross or my fate in suffering.

My anger, pain, love, and longing for my son are all intertwined in one tight knot into my broken heart, shattered soul, and lonely journey. Come into my dreams more often and untie this knot, and just leave my love, my longing for you, safely in my heart, soul, and in my eyes. Stay close by me until I join you in Heaven. I Love you and miss you deeply.

Christmas is the birth of Jesus and I am happy for our Savior, but I am very sad and empty for your physical absence. The imprint of your precious life in my heart and soul is my

Christmas will not be the same without you

Life will not be the same without you

Loneliness engulf my dark shadow... my motionless body.

Come into my dreams and celebrate Christmas ...

Give me a moment to feel life again until I wake up.

My dreams about my loving son ease my pain, comfort me.

Help me find my faith that has vanished the moment God  
called you home.

I pray Mother of sorrow embrace my son gently on Christmas

Day beside Her Loving son Jesus and never let you go.

MAY YOUR HOLIDAYS BE AS GLORIOUS AS THESE LIGHTS  
AND CONTINUE TO SHINE FOREVER.  
I LOVE YOU AND MISS YOU DEARLY.

## CHRISTMAS PRAYER FOR A LOVED ONE

God of compassion, there is such a hole in my heart! Today should be a day of joy, but I feel only emptiness and loss. While the world celebrates around me, I remember Christmas celebrations of the past and I long to have my loved one with me. I bring my sorrows to you, Lord, like some odd gift of the magi and dump them at your feet. In my blind tears I wonder if anyone can possibly understand the depth of my sadness.

I know, you can. You sent your son to be with us in our deepest sorrows and I know that even though I might not feel it now, you are here with me, grieving with me, caring for me in my sadness. Dearest lord, help me to turn to the one I miss so much today and speak. Help me heal the loss of our parting and help me not to regret the things I didn't say. Sorrow tears at my heart, but today I ask that my loss soften my heart and make me more compassionate with everyone I meet, so that my loss may become a gift to others. Amen.

Candlelight for Your Heart

Light a candle through tears tonight,  
As you remember me. In your heart,  
In your mind, soft candlelight for  
All to see.

Remember the candle burning,  
The entire year through. Carried in  
Your heart, in your mind, wherever  
Life takes you.

My light will be your smile, and  
Sweet memories your hope. Always  
In your heart, in your mind my light  
With you as you go.

Light a candle with a smile tonight, let your  
Love for me shine through, I will be in your  
Heart and in your mind.  
And remember, I love you, too.

DEDICATED TO ALL OUR DEPARTED LOVED ONES. BE AT PEACE ETERNALLY!!!

I have a list of people I know  
All written in a book  
And every year at Christmastime  
I go and take a look  
And that is when I realise  
That those names are a part  
Not of the book they're written in  
But of my very heart  
For each name stands for someone  
Who has crossed my path some time  
And in that meeting they've become  
A treasured friend of mine

And once you've met some people  
The years can not erase  
The memory of a pleasant word  
Or a friendly face  
So when I send a Christmas card  
That is addressed to you  
It's because you're on that list  
Of folk I'm indebted to  
And you are one of many folk who  
In times past I've met  
And happen to be one of those  
I don't want to forget  
And whether I have known you for  
Many years or few  
In some way you have a part in  
Shaping things I do  
This, the spirit of Christmas, that  
Forever and ever endures  
May it leave it richest blessing  
In the hearts of you and yours.

Have yourself a very Merry Christmas!

Love, Hugs & Kisses!!

**LOVE Is UNCONDITIONAL AND BEYOND**

**December 3, 2009**

MAY YOUR LIGHT KEEP BURNING GLORIOUSLY IN HEAVEN.

I have been reading a lot of grieving books to help me understand my great loss  
And try to cope with my unbearable sorrows or ease the great pain, anguish.  
The book, "Hello From Heaven" is very touching. Each individual, author has a way of  
Comforting, soothing a broken heart and soul.

THE WISDOM OF THE SOUL...

A rose will still be a rose in Heaven, but it will smell ten times sweeter.  
MEG WOODSON

That in mind, please mention departed loved ones' names... Remember them as  
Often as you can think of the living ones. Pray for them and always keep them in  
Your hearts eternally along with the living ones until you cross over the other side.  
For a physical body, a living person can hurt one's feeling, betray or shatter one's life,  
But a spiritual body can only move one's feeling and protect one's feeling, life.

Death is no more than passing from one room into another, but there is a difference  
For me, you know. Because in that other room I shall be able to see.  
HELEN KELLER.

I still miss my son and yearn for his presence, his touch...

I firmly believe that when you die you will enter immediately into another life.  
They who have gone before us are alive in one form of life and we in another.  
DR. NORMAN VINCENT PEARL

I still miss my Patrick so much it aches deeply in my soul, my heart.

The body is only a garment. How many times you have changed your  
Clothing in this life, yet because of this you not say that you have changed.  
Similarly, when you give up this bodily dress at death you do not change.  
You are just the same, or immortal soul, a child of God.  
PARAMAHSA YOGANANDA

Why do I still ache deep into my soul because of this empty hole that can't be  
Filled from my loss.

I will not see my son until I die and join him in Heaven. I believe I will see  
My son again... But the pain, the longing still ache within my whole body.  
There is a reason why this pain exists... This agony pulls me apart.  
There is a reason the word "mourn" is a vocabulary. The physical distance  
Between my son caused this pain... My endless tears, my agony...  
So death still hurts deeply for losing my precious son. I was never afraid of  
Death for myself... only for my children. A mother should not bury her child.

Death is not the end, it is simply walking out of the physical form and into  
The spirit realm, which is our true home. It's going back home.

STEPHEN CHRISTOPHER

But I still miss my son and yearn for his presence. I don't know if my son is all right,  
For I can't see him any longer. I can only wish and pray for his safety, peacefulness,  
Happiness... and his bright light to never go out.

Death is but a transition from this life to another existence where there is no  
More pain and anguish. All the bitterness and disagreements will vanish, and  
The only thing that lives forever is love.

ELISABETH KUBLER-ROSS

I still miss my son, but his life and memories are forever in my heart safely tucked in.

I think death is a tremendous adventure... A gateway into a new life, in which  
You have further powers, deeper joys, and wonderful horizons.

DR. LESLIE D. WEATHERHEAD

I will always miss my son until I join him and experience those feelings, grace.  
I need his presence in my life desperately. My dreams about my son is my only  
comfort right now.

My mother and sister must be very happy to be home with God, and I am sure their  
Love and prayers are always with me. When I go home to God, for death is nothing  
Else but going home to God, the bond of love will be unbroken for all eternity.

MOTHER THERESA.

For the love of my children are unbroken for all eternity. My love for my Angel  
Patrick is as unbroken during his physical life as his spiritual life for eternity,  
For love never dies... It only continues to bloom...

BE SAFE

HAPPY HOLIDAYS

A GRIEF FOR A CHILD IS MORE THAN ONE POOR SOUL  
CAN ENDURE. MY LOVE FOR MY SON, PATRICK, IS  
UNCONDITIONAL... THE PAIN FOR THE LOSS  
OF MY PRECIOUS SON, ANGEL, IS ALSO UNCONDITIONAL.  
MY LOVE, MY PAIN ENTWINE INTO MY BROKEN HEART AND SOUL  
ALONG MY SHATTERED LIFE.

I have been reading a lot of grieving books to help me understand my great loss  
and try to cope with my unbearable sorrows or ease the great pain, anguish.  
The book, "Hello From Heaven" is very touching. Each individual, author has a way of

comforting, soothing a broken heart and soul.

## THE WISDOM OF THE SOUL CONTINUES...

Life is eternal... death is but an inevitable transition that each soul makes when it leaves the physical body. It is a free state which does not limit the soul to time and place.

BEN BETHARDS

Within my faith, I believe there are two lives: The temporary life on Earth, we should get the chance to explore fully, experience the ups and down about life and learn from them, in order to build a better life in our second eternal life, home called Heaven... children should get that chance to experience this first life. God, please, don't be angry at me, my broken heart is just talking as it feels.

I believe that spirit lives on, that it is immortal, and that we must look to our ancestral spirits to guide us.

SUSAN L. TAYLOR

Have faith in the spirit and never forget your departed loved ones.  
Life continues beyond... love grows ETERNALLY.

Blessed are they that mourn; for they shall be comforted.

JESUS Of NAZARETH.

I shall pray and pray and hope for a sincere and tender faith to fill my heart, mind, and soul, in which the new faith will lift up this anger, this denial, this pain, and agony out my heart... my mind and soul.

I shall pray, wish, and hope for a better, gentle journey than the one, grief has pulled me into without warning.

I pray, wish, and hope for Jesus and Blessed Mother to strengthen my faith

and mind to keep my son, Patrick and his memories alive, for his life is important in mine. No departed loved ones should be forgotten.

Death is simply a shedding of the physical body like the butterfly shedding its cocoon. It is a transition to a higher state of consciousness where you continue to perceive, to understand, to laugh, and to be able to grow.

ELISABETH KUBLER-ROSS, MD

I still miss my son physical life so dearly. I believe in death but my heart does not understand grief or pain, or the loss of my loving son.

We are not human beings having a spiritual experience, we are spiritual being having a human experience.

DR. WAYNE W. DYER

In all, love, life never dies... both terms mean eternal, unconditional feelings.

There should be no fear of death, for the death of the body is but a gentle passing and to much freer life.

HELEN GREAVES

I am not afraid of death. I only miss my son, for I am afraid of this pain of losing my son and the thought of not seeing him until we meet. For death has no time frame as it gives no warning.

Death is just a change of lifestyles. STEPHEN LEVINE.

Death is certainly not contagious. Bereaved parents need support more than anyone else, for it is very difficult for me to understand grief, its reality, or to accept the idea of not seeing my son until God calls me, and I join my son.

No matter how many children God receives back

Motherly love is forever

MY BEAUTIFUL BABY PATRICK... THE QUIETEST BABY

BABY PATRICK... MY GIFT OF LOVE FROM GOD... NEXT, PATRICK AT THE AGE OF 20... TWO MONTHS BEFORE GOD CALLED HIM HOME WHERE HE RECEIVED HIS GIFT BACK AND LEFT ME BROKEN HEART.

*Precious Memories*

*Never Forgotten*

PATRICK, MY BEAUTIFUL SON, YOU ARE ALIVE IN MY HEART FOREVER  
YOU ARE A PRECIOUS LIFE, MEMORY IN MY HEART FOREVER. I LOVE YOU, SON.

MAY GOD EMBRACE YOU SAFELY AND COMFORTABLY  
IN HIS KINGDOM.

LIGHTING CANDLES FOR YOU EMBRACE MY HEART  
FOR YOUR BEAUTIFUL SOUL... SPIRIT  
BUT IT BREAKS MY HEART, TOO...  
KNOWING YOU ARE NOT HERE WITH ME PHYSICALLY  
BUT ALWAYS SPIRITUALLY. I PROMISE YOU WILL NEVER BE FORGOTTEN!!!

BABIES ANGELS WATCH OVER MY SON, PATRICK

AND HELP ME BE STRONG FOR MY ANGEL PATRICK'S SAKE.

A GIFT OF MOTHERHOOD IS A SACRED BOND FROM GOD  
THAT WILL NEVER BE BROKEN...FOR GOD IS REAL.

### A GIFT OF LOVE

One moment of pleasure turned  
Into nine months of bonding with my gift of love from God  
From my womb into my heart  
Hours of labor pains from my gift of love ended

In a birth of a beautiful baby boy with God grace  
Twenty years of blooming my sacred gift from God as a caterpillar.

And an eternity of love and life as a butterfly... an angel  
My gift of love... my Patrick is returned to God... but not alone  
For I am by your side as the gentle wind  
Of your angelic presence is near me.

For life... love and my gift of love live eternally  
in Heaven and on earth as I shall join you  
When my turn comes to cross over the other side of life  
For death is my fate and I shall not fear  
For it brings me closer to my son... my butterfly.

Though the angel of death just flew to another  
Dimension of life... a new world with my son  
I still miss my caterpillar... my precious son  
For death has no deadline, no appointment, no time frame  
Just a quick pull of a precious life upon a lasting serenity  
Into a peaceful, kinder Universe called Heaven...  
Our eternal home for all of us  
Until then, my son, be at peace eternally.

GISELE G BARBOSA

To my loving son, Patrick

I just heard about this heart-felt song from a new friend  
I had met four months ago at the cemetery because of our angels.  
It's unfortunate for us to meet this way, but we are walking the  
same road now. Today we need each other to walk through this  
unthinkable, unbearable journey. This song defines how empty  
I feel without my son, Patrick. And how very alive he is in my  
heart and life.

FOR MY SON'S LIFE AND THE LOVE FOR MY SON CONTINUE  
ETERNALLY.

So this is the lyric from this beautiful song, PRECIOUS CHILD from

a caring singer named, Karen Taylor Good. I have downloaded the song on my son's website. I guess she lets anyone who has a loved one to download, Precious Child for free. Thank you, Karen.

## "PRECIOUS CHILD"

Words and Music by Karen Taylor-Good

In my dreams, you are alive and well  
Precious child, precious child  
In my mind, I see you clear as a bell  
Precious child, precious child

In my soul, there is a hole  
That can never be filled  
But in my heart, there is hope  
'Cause you are with me still

In my heart, you live on  
Always there never gone  
Precious child, you left too soon  
Tho' it may be true that we're apart  
You will live forever... in my heart

In my plans, I was the first to leave  
Precious child, precious child  
But in this world, I was left here to grieve  
Precious child, my precious child

In my soul, there is a hole  
That can never be filled  
But in my heart there is hope  
And you are with me still

In my heart you live on  
Always there, never gone  
Precious child, you left too soon,  
Tho' it may be true that we're apart  
You will live forever... in my heart

God knows I want to hold you,  
See you, touch you  
And maybe there's a heaven  
And someday I will again  
Please know you are not forgotten until then

In my heart you live on  
Always there never gone  
Precious child, you left too soon  
Tho' it may be true that we're apart  
You will live forever... in my heart

***Patrick Lives in Peace !***

***November 16, 2009***

Dearest Friend Gisele ..

Little did I realize that it has been four months that Patrick passed into another world.. amongst the Gods.. Saints and Angels.. and in a world of Peace..

I pray to you to not to worry endlessly.. please do not feel that as if I am saying that you do not have to miss me.. I am not saying that Patrick's loss is something that could be reversed..

I don't know if you noticed it or not I was the one who was at a great loss of words to bring you some comfort..

It is Amrit's Birthday today He is going to be 11.. you can consider Amrit as your fourth son.. I can not say anything more than that.. I know Amrit can not fill that void that has been created by the absence of Patrick.. yet if I have some love for you dear friend I would wish you to feel little less in your pain and suffering.. it is my sincere wish.. I can see that you are still suffering a great deal.. as much as you told me over phone.. I do not have anything to offer you.. I have no words that can bring Patrick back into your life..

My prayers would always be with Patrick.. of whom I know he lives in peace town.. of whom I know he is loved beyond by everyone he knew.. of whom I know that he must be wishing very dearly that someone takes care of his mother who suffers and suffers a great deal.. He amy be crying seeing you crying from him endlessly..

Let him be there where he has gone.. let him enjoy and not suffer as he looks from there at you.. I know it is difficult.. I know it is impossible.. I know it is not good of him to console you this way.. who am I to say these things.. who am I to try and bring you back to the normal world.. who am I to tell you to rediscover life without Patrick...

I am the same friend who first answered your first mail after return from summer vacations and I am that same friend.. who loved your every mail as if it was from the most precious angel of the world.. I am the

same friend who went ahead to help you as much as possible.. I am the same friend who accepted every help from you as a gift from the most loving angel on this earth..

Yeah! I am Abhaya Sharma.. Yeah! I wish you great life and good times despite the fact that you have just four months back had lost Patrick.. Yeah!! I wish you to smile as today is the birthday of Amrit.. Yeah! I loved this website immensely.. I loved every picture and song here.. I loved every quote and every poem that has been put here.. I loved the fact how much does a mother loves his child.. I love you for you are still an angel for me..

My best Wishes for Patrick to Live in Peace..

My best wishes for Patrick to live in your heart..

My best wishes for Patrick to Live forever....

## THERE IS NO WORD

They call a man a widower when he has lost his wife  
The woman is a widow when her man does lose his life  
And orphan is the word perhaps for most of us one day  
For it is normal losing Mom and Dad along the way  
But you can look both high and low and then look far and wide  
And never find a word for one who's had a child who died

So is it then so rare a find for lexicography?  
And, like some unfound jungle plant, there's yet no name for me?  
Or could it be a word that's just too difficult to choose  
And, God forbid, a nightmare curse, too horrible to use?  
So, at a loss to tell our loss, we call ourselves bereaved.  
For there's no word to tell of pain that cannot be believed.

### THE BROKEN CHAIN

We little knew that morning that God  
Was going to call your name.  
in life we love you dearly,  
In death we do the same. It broke  
Our hearts to lose you; you did not go  
Alone, for part of us went with you,  
The day God called you home.  
You left us peaceful memories;  
Your love is still our guide.

And though we cannot see you,  
You are always at our side.  
Our family chain is broken,  
And nothing seems the same;  
But as God calls us  
One by one, THE CHAIN  
Will link again.

***THE PRICE OF LOVE***

***November 11, 2009***

### THE PRICE OF LOVE

My beautiful baby boy, Patrick was born  
I was filled with happiness and grace  
Along the milestones, dreams and hopes filled my heart...  
My thoughts for my son and his three brothers  
Then, Boom! For a second, Patrick's life was shortened.  
All my hopes and dreams for my son were ceased  
And I was left with only short memories...  
And no more pictures of my son to look for  
For God had called him home and a big part of me went with my son

Since then, I wake up with my anger, my disbelief, and great sorrow  
And through the day, I feel powerless with my anger, my disbelief, great sorrow  
With my restless nights, I go to bed holding my anger, my disbelief, great sorrow  
After my body is too drained and numb to feel anything.  
Since I lost my son, my torturous feelings are my companions into my journey.

Though my pain, sorrow, and sad tears are from losing my son  
My joy is masking my pain and agony and pretending to live in this world to fit in  
A world who can never understand my loss... My agony.  
My son is now in heaven where they say there is no pain, no anger, sorrow  
While I am here on earth full of pain, anger, sorrow, and my sad tears  
With the deepest grief my weak body, my broken heart and soul can not handle  
Why me? Why my son, a beautiful heart?  
When there are evil people, killers, rapists destroying this earth.

About four months ago, I had my four sons  
And today, I still have my four sons  
For Patrick still lives in my heart and mind  
His presence still remains in our home  
As I have his last pictures scattered in every corner of our home

As I know that grief is the greatest pain in our life  
I also do know now without any doubt the pain of grief I am feeling  
Is the price of being a mother and loving my son so much  
I also know I am not afraid of death, the one thing I was so fearful for my sons,  
Will take me to my son who had never left me  
For he was always living safe in my heart and mind  
Until then, I will look for your visits in my dreams  
That make me feel alive and happy  
Until I wake up and begin all over my worst journey... My dreadful life.

When I am dead, come to me at my grave,  
And the more often the better...  
As you spoke to me as I was alive, do so now.  
For I am living, and I shall be FOREVER.

ST. SERAFIM Of SAROV

Hi, Son. I hope your headstone will not take long to get to you.  
I don't want a rush work because I want a perfect, special  
headstone for you. Nevertheless I don't like to see a plain one.  
Having a gravestone will not give me a closure because you are still alive  
In my heart, soul, and life FOREVER.

Winter season, the dry leaves that are all over your grave site  
deepen my sadness, my grief, my depression.  
I am sorry I don't go to visit you as often as I would love to.  
But when I am there with you, I treasure the moment we spend  
With me talking while playing and listening to Michael Jackson songs.  
With my loving son.

BE AT PEACE AND KNOW THAT YOUR MOTHER LOVES YOU VERY MUCH  
AND I WILL KEEP YOU ALIVE IN MY HEART AND SOUL FOREVER.

***GRIEVING MY GREAT LOSS***

***November 11, 2009***

Grief is an emotion, not a disease. There is no time table for recovery.  
But there is also no getting around the pain. Each of us has to experience  
the pain in order to recover from it...  
Our hopes and dreams may no longer be possible.  
We may feel hopeless and want to run away.  
It takes time and effort to regain the ability to function.  
We must express our feelings and be patient with ourselves.  
Grief is a process. Recovery is a decision.  
Readjustment does not come overnight.  
But each of us can resolve to survive- one moment at a time.

### REMEMBER ME

To the living, I am gone  
To the sorrowful, I will never return  
To the angry, I was cheated  
But, to the happy, I am at peace  
And to the faithful, I have never left  
I can not speak, but I can listen  
I can not be seen, but I can be heard  
So as you stand upon the shore

Gazing at the beautiful sea, remember me  
As you look in awe at a mighty forest  
And its grand majesty, remember me  
Remember me in your hearts,  
In your thoughts, and the memories of the  
Times we loved, the times we cried, the  
Battle I fought and the times we laughed  
For if you always think of me,  
I will have never gone

Come into my dreams and direct me into that light at the end of the tunnel  
For my broken heart and weak faith are yearning for that realism  
From my end of so called-life and your glorious life as I have heard, prayed  
Because you had a beautiful spirit during your physical life  
And in God's hands, you have a tender spirit on your spiritual life  
As I am so happy to be your mother and very content to be greeted  
By my angel son, Patrick  
Until then, my son be at peace... be near by.

***A mother Wish***

***November 4, 2009***

If I had one wish to be granted, I wish God brings you back to me.  
If I knew you would leave me so soon, I would spend every moment of  
my life with you and leave my worries to God.  
If I knew your life was in danger, I would not trust another human  
being with your health.  
If I knew God was looking for an angel, I would trade my life

If I know I will meet you in Heaven, I will join you  
But I believe in God and trust Him to help me and you  
With my sorrow to embrace, I will take one breath at the time  
Your mother is just a lost sinner trying to fight the devil for you  
I need to meet my son again; I am struggling to obey God's law.  
I can't walk this journey of grief alone; for this pain is too grave  
I need help to fight my thoughts because I love you and need you back in Heaven.

October 30, 2009

NO ONE HAS ANY IDEA THE PAIN AND  
TORTURE I AM GOING THROUGH  
I DON'T KNOW HOW TO ACCEPT OR BELIEVE  
YOUR UNBEARABLE DEMISE  
I CAN ONLY FEEL THE ANGUISH OF  
NOT SEEING YOU AT HOME EVERY MORNING

WHEN I WAKE UP AND EVERY NIGHT WHEN I GO  
TO BED AND TRY TO FALL ASLEEP AFTER SEVERAL  
HOURS OF STAYING IN FRONT OF THE COMPUTER  
AT YOUR WEBSITE POURING MY HEART OUT OF LOVE  
AND MISSING YOU SO MUCH WITH DISBELIEF THAT  
YOU ARE NOT HERE WITH ME, WITH YOUR FAMILY  
THEN I FINALLY LIE DOWN IN BED THROUGH RESTLESS NIGHT  
BEFORE FALLING ASLEEP.  
I WISH YOU COME INTO MY DREAMS EVERY MOMENT I  
CLOSE MY EYES TO LET ME KNOW YOU ARE REALLY IN PEACE.  
WHAT HAPPENED MY SON? WHY ARE YOU NOT WITH ME?  
WHY?

MISSED, REMEMBERED, AND LOVED FOREVER!!!

# *If Tears Could Build A Stairway*

*If tears could build a stairway  
And memories were a lane  
We would walk right up to Heaven  
And bring you back again  
No farewell words were spoken  
No time to say goodbye  
You were gone before we knew it  
And only God knows why  
Our hearts still ache in sadness  
And secret tears still flow  
What it meant to lose you  
No one can ever know  
But now we know you want us  
To mourn for you no more  
To remember all the happy times  
Life still has much more in store  
Since you'll never be forgotten  
We pledge to you today  
A hallowed place within our hearts  
Is where you'll always stay*

Patrick, I think of you every minute of my  
torturous life.  
And every minute I think of you, my horrid  
loss, I weep in agony.  
Every minute I cry, my heartache gets worse  
Every time my heart aches, my mind is pounding  
with painful memories, images, sorrow, and guilt  
of loosing my beloved son.  
The longing for my son is agonizing

I am sadly lost without You.

Patrick, may Jesus, always keep you safe and happy in Heaven. You are His angel now. And your mother is left behind in denial... in agony. WHY???

Every time I read the Bible, I am reading it for you. It's my devotion to my loving son, so please stay close by me as we read the Bible together.

God Bless You, my Son. REST In PEACE

YOU ARE FOREVER IN MY HEART... I LOVE YOU...I MISS YOU FOR AN ETERNITY.

If you think life goes on after loosing a child  
Are you the one whose soul is ripped apart  
Even so, can you see my broken heart, my shredded soul?  
Can you feel my pain, my anguish?

If you think a broken heart can heal in time  
Then you don't understand the real feeling  
of loosing a child... my son is a part of me  
A broken heart can heal after a divorce  
A broken heart can heal after loosing a spouse  
A broken heart can heal after loosing a parent or both  
But a broken heart can't heal after loosing a child  
Because, my undying love for my son, my helpless mind,  
the guilt, the "Why me?" Why my son?"  
will not let me understand or accept my great loss

The denial is shield with my loss  
My broken heart is now a dead one  
One needs to believe and accept the loss  
of a child to begin healing  
I can't believe my loss  
I can't control my pain, my weeping

All I can do is shield myself behind a wall  
to escape the world that is draining me dry  
as another life begins to spin into a spiral  
of images, fantasies...

Where does a mother go when her loss is greater than life  
Where does a mother go when her agony is more than she can handle  
What a mother can do when her painful memories, images of her loss, are her worst shadows  
What a mother can do when her tearful face is her saddest reflection

What a mother should do when life's insensitivity and unfairness is choking her  
How a broken- hearted mother can carry her cross, her burden  
How a mother can live with this unbearable, unthinkable loss  
How can I get through this torturous, helpless journey  
You tell me, Son... God, You make me understand my inconsolable, lonely world  
Because I miss my son so dearly... I am all broken in pieces from severe depression, anguish  
I am a Martyr of a horrid loss of my beloved son, Patrick... a price for being a mother.

To ease the pain and sorrow

More than we ever could say

### Isaiah 26:3

I sure picked the right name for you, Patrick. Your name describes who you really were in life " A humble, noble human being", are in my heart and in Heaven as our fallen angel. You left an incredible imprint with beautiful memories in this life and even after life for everyone to cherish. Every St. Patrick Day, I think of my son and his noble name... today this wonderful thought and experience will continue the calm ritual of your mother.

***October 21, 2009***

Patrick, you came into my world like a butterfly with a time frame  
You cuddled into my life with love, joy, respect, and wisdom  
In one twisted moment of fate, denial and pain crept in my soul  
as you move far away in the Garden of Eden as a fallen angel

Eternal life belongs to you now with Jesus  
But you are never too far from my heart and soul  
As our mother-son bond continues beyond Universe  
Because a true love of a mother goes beyond life

Your sweet and young life was shorten before you were ready  
My life faded as dreams and fantasy filled in the empty space  
along my dreadful journey of a once promising land of hopes  
Tears and sorrows settled in a new land of broken dreams and hopes  
Life is changed drastically as never before thought  
Wearily in my grief, I became a lost mother  
Who is to blame for?  
What's a future hold for a lost mother?

***Permission to Mourn***

***October 19, 2009***

Good evening, Patrick

I got this poem from the book I just finished reading, "The Grieving Garden." This is the certificate for all mourners in this planet. Losing a child is the worst nightmare any parent could never imagine it would happen. I hope and pray I don't hear or see any parent going through this unthinkable nightmare and anguish. A mother should never bury a child... but life is just as it is, life, which is guided by fate. We poor mothers have no control to protect our children from the silent thief, "death," but we should have control in our own grief. I love you, Patrick. I miss you with every breath I take.

PERMISSION TO MOURN

Is hereby entitled to publicly acknowledge his/her loss, mourn openly,  
to share narratives of the loss,

and to recruit social support in his/her own way and time, without apology  
or embarrassment.

Tears, memories, silence, uncertainty, and strong emotions are hereby  
enfranchised.

Please treat this griever with kindness, compassion, and love.

This certificate has no expiration date.

JOHN LECOMPTE from the Grieving Garden

Have you ever thought of heaven and how it will be up there.  
Brushing elbows with Jesus Christ, as his hospitality you do share.  
Have you ever thought of heaven, with it's streets all paved in gold, that reflects the Greatest Story ever told.  
Have you ever thought of heaven and all the joy we will share.  
There will be no room for hate and violence, to clutter up the air.  
Have you ever thought of heaven and the special love that will be there  
and the glorious reunion with our loved one's, that have gone ahead, to help prepare.  
Yes, I have thought of heaven and the streets all paved in gold  
and long to participate in the final act of the Greatest Story ever told.

### MY ANGEL SON

You are now under the love of God in Heaven  
Your wings of kindness, sweetness are spreading over  
His Holy home among the other Angels and Saints  
Jesus and Blessed Mother have a great idea for their  
New angel, they have called home  
Your mother's tears along her tormented journey of grief  
Will be uplifted by the love of God when the time comes

Please, Son, don't disturb your eternal and joyful resting  
Place with your mother's tears, sadness, or pain  
I am just missing my loving son so much, and I am

Longing for your presence.  
The puzzle of my life is broken but my love for you is  
Always safe in my heart  
A mother and child bond never dies  
This is an equation of a motherly love... Your mother.

***Patrick, why did you leave me***

***October 11, 2009***

I know death is for everyone on this Earth  
I know life is not permanent on this Earth  
I know life can be a short mystery and destiny is uncertain  
But, do our birthday really intertwine with our death day  
Should a mother experience that twisted and painful connection

Patrick, why did you leave me  
My son, you were in the beginning of the fruits of your life  
My son, why do only good people have to go so soon  
Patrick, why the world is so unfair

The sun was bright, the weather was hot outside, on a typical morning on July 15, 2009  
Inside a family home, the time was changed into an unforgettable day  
The bright morning was shifted into darkness  
The worst imaginable pain landed into my heart forever  
My lifeline was changed brusquely

Patrick, why did you leave me  
My son, you were in the beginning of the fruits of your life  
My son, why do only good people have to go so soon  
Patrick, why the world is so unfair

You have three other children to live for  
I know a mother who lost two daughters and her mother the same day  
Another mother lost two children eight days apart  
Another mother practically witnessed her son's murder with his screams  
Your son passed away in his sleep on his own bed  
Don't challenge God... He is our creator  
Don't be angry at God or anyone else... it's his fate  
There are worst deaths... from wars, fires, or floods  
Some people are killed by terrorists or predators  
Others are swept away by the ocean with no bodies... you have a closure  
Are you kidding me? There will be no closure to my grief for losing my son,  
Patrick  
I am smothered with comments piercing my heartache, my helpless mind  
Put away his pictures, it will only hurt you  
Don't weep, it will hurt him  
Don't weep, your tears will drench him  
Don't cry, he is in a better place  
Are you still crying for your loss

You will get over your loss in a year... life goes on  
You are not the only one who has lost a child  
I don't wish to be on your shoes  
If you don't take your medications, I don't feel sorry for you  
My life is changed unexpectedly and traumatically  
My heart is shattered into pieces  
Should a lost mother understand these philosophies, mystic, or thoughtless comments.

Patrick, why did you leave me  
My son, you were in the beginning of the fruits of your life  
My son, why do only good people have to go so soon  
Patrick, why the world is so unfair

The world was not built in one day  
Rome was not built in a day  
There is no moral or expected time for grieving  
There is no boundary in grieving  
Each individual comes with his flaws or righteousness  
Everyone reaches his fate differently  
Each mother, grieves a loss of a child in her own way and pain  
I have lost my love, my precious son  
My laughter, smile, and jokes have joined my heartache  
My endless road of sorrow will rekindle my yearning hope with the grace of God not human being  
crushing words

Patrick, why did you leave me  
My son, you were in the beginning of the fruits of your life  
My son, why do only good people have to go so soon  
Patrick, why the world is so unfair

GISELE G BARBOSA

Dedicated to my son, Patrick

*One Heart*

*One Love*

angel son. Our bond will be alive in my heart.

THE MARTYR OF LOVE AND LOSS OF MY SON

The love for my son, Patrick, began the moment I found out I was pregnant.

At five months pregnant, I could not do any house chore, because the pressure of the fetus was unbearable on my womb but acceptable for the undying love of my unborn child.

July 17, 1988, at 5:20 in the morning, a healthy, big, and cute baby boy was born exactly 9 lb, at Women \$ Infant hospital. I named my baby, Patrick Christian Barbosa after the actor, Patrick Swaze, because I was so fond of him and his talent.

Patrick was a quiet baby, an active child, and again back to a quiet, shy, friendly adolescent.

On July, 15, 2009, at around 11: 00 in the morning, my beautiful Patrick passed away in his sleep without a warning after a wonderful journey of twenty short years of his life.

I am left behind in shock, in despair for longing my son and understand my horrible loss.

Believe me when I say my heart won't let me go of my pain and suffering since God called my son home.

I know sometimes, people insensitivity may mean well, but their words still cut deep into my broken heart and weaken it even more as I shed uncontrollable sad tears.

No one understand my love for my son Patrick or my unforgettable loss... even a mother herself.

My love for my son, is unexplainable, unimaginable, unconditionally beyond all the virtue of true love.

Now, imagine me with that same feeling of loss...

It's unthinkable, unspeakable, intolerable beyond all the virtue of hope to get past the reality and the faith that God, Our Creator, knows best.

Now I pray and pray for Patrick and me and for my thoughts good or bad.

I cry and cry for my great loss, my broken heart; my longing for my beloved son Patrick

I hope and wish to see my son just once and tell him I love and miss him so much beyond words and life itself.

Until we meet, Patrick, rest in peace eternally in Heaven.

As you were an angel on Earth, your wings will now spread bigger in Heaven and upon the blue sky... your favorite color

Please watch over your family and help me heal and be in peace.

GISELE G BARBOSA

Dedicated to my son, Patrick

I LOVE YOU

*You're in  
my Heart...*  
I LOVE YOU

One unfortunate and unforgettable day, I sent my son, Patrick to get medical help... they said that doctor knows best. But I did not know, I was sending my son into the jaw of death without a warning or a chance to say goodbye. What a sorrowful guilt I am feeling today?

Oh, God, lift up my broken heart. Take me away from my pain. No prayer, no pain med, no sleeping pill, no antidepressant med can take away my broken heart but my Patrick back in my life.

Oh God, lift up my broken heart silently. I am helpless in this world.

No one understands my pain, my agony, my loss, or my broken heart.

One fated morning, a day of deep sorrow, of shock, has numb me with no feeling for life, as I touched my cold, pale, and lifeless son in bed. Suddenly, my hope and dreams for Patrick have turned into a nightmare with no hope of waking up.

In the midst of desperation, I tried to revive my lifeless son and pleaded for a miracle, as I frantically was giving him mouth to mouth breathing while he was laying on the floor with no life.

I have no idea how I survived that traumatic experience, but it left a stigma in my mind and heart as a martyr.

Oh God, lift up my broken heart. Take me away from my pain. No prayer, no pain med, no sleeping pill, no antidepressant med can take away my broken heart but my Patrick back in my life.

Oh God, lift up my broken heart silently. I am helpless in this world.

No one understands my pain, my agony, my loss, or my broken heart.

My shattered life spins like a vicious storm into an unknown and empty journey.

Along with the images of the last twenty-four hours of my poor son's life that are echoing in my mind, in my still heart.

A journey of sorrow, anger, pain, disbelief; regret, nightmare, and guilt, is now smothering me.

Silently, the tormented days, the sleepless nights, are pulling me into my own world of trials and tribulations from my fated life. Do I deserve this fate?

As my agony deepens, I slowly hibernate myself into a trend of fantasy for just a reflection of my son, to feel a little life, and to ease my misery.

Because one traumatic loss, one agony has shifted my broken heart into an uncontrollable catatonic mother.

My poor heart only needed one loss of a child to completely disconnect me from life.

Oh God, lift up my broken heart. Take me away from my pain. No prayer, no pain med, no sleeping pill, no antidepressant med can take away my broken heart but my Patrick back in my life.

Oh God, lift up my broken heart silently. I am helpless in this world.

No one understands my pain, my agony, my loss, or my broken heart.

Dedicated to my son, Patrick

Patrick, my quiet and beloved son, I had a brief glance at you in the midst of the night alive, when you knocked at my door for help, and by the morning I found you listless in bed. In despair, fear, I pleaded to God to help my son, as I pushed away my torturous thoughts of my worst fears. But little did I know that the unthinkable truth but never a reality in my soul, has already hit down on my path without any warning, and left me numb, confused, and hopeless about what's ahead of me. Today, I have realized that life is really a mystery, and death is our factual journey that no one can't escape: rich, poor, young, old; good or bad, we will all take turn in suffering in one form or the other, and the inevitable death will be right beside our mortal suffering.

Today, again, a mother's hope and dreams to see her son's future blossoms, are shattered with one stroke of that inevitable and cruel robber of life, "death." This is one word, I was always afraid to utter or think when it comes to my children; in addition, to darkness, and cemetery. Hopeless and helpless as I am today, I am taking these fears silently, along an unknown journey with you in my heart, mind, soul, and my life, since I am unable to imagine or believe my unexpected, unfair loss. I am walking in a trance along the motion of emptiness, disbelief... wherever the wind of reality, kindness, and God take me...

I still have four beautiful sons alive in my heart and soul forever... and one day, my spirit will embrace proudly my four sons with me as it reaches our eternal home.

Michael Jackson said, "Why you wanna trip on me?" And I am saying, "Patrick, why did you leave me so soon?" Why? Please God, help me understand. I love you, my son and miss you eternally.

***October 2, 2009***

Just the thought in knowing my loss is real, aches.  
Just the thought in knowing I have only your memories to continue my lonesome journey, tortures me.  
Just the thought of the dusk coming down, distresses me.  
Since your passing, darkness means another night without you.

Just the thought of leaving you behind at the cemetery and driving home alone, agonizes me.  
A mother should never bury her child.  
Just the thought of coming home from the cemetery and seeing your red car in the driveway, and you are not home, frightens me.

But, your pictures that are in every corner of the house, on my necklace, my key chain, in my car, and this unique picture of you that I carry with me and sleep with it, remind me that you are alive and safe in my heart.

Because Mom, will always keep you and your memories alive, until you and God come for me.

Just the thought in knowing you are an angel in Heaven, soothes me.  
Perhaps one great thought will overcome all the bad ones.  
With God grace, I will continue my journey of grief with hope.

With you by my side, in my dreams, I will continue to pray for peace and healing.  
But only, if I can feel, you are happy and in peace.  
With God, Jesus, and Blessed Mother guarding my Patrick in Heaven, duskiness in my heart will fade.  
Because you know I love you so much, and I know I miss you more than I can understand.

I did not know your son had passed until I got the e-mail about this website. I am so sorry to hear about this sad news. Just know that you are in my thoughts and prayers. Losing a child must be the worst thing to ever happen to a person in this or any other life.

***A silent Thief***

***September 30, 2009***

A silent, cruel thief named death, came over one morning and snatched my loving son Patrick without mercy or remorse for me or my son.  
The piece of my womb is gone far away under the twilight zone of death  
Life will never be the same

How am I supposed to live a shattered life with no return of normalcy  
How am I supposed to live with a wounded womb with no cure  
How am I supposed to live with the missing puzzle of my life  
How am I supposed to live with this empty hole in my chest

They say this silent thief happened because of Adam and Eve, the sour juice of death  
Are we to be blamed for the destruction of Satan  
Are we to be blamed for the disobedience of Adam and Eve  
Am I to be blamed for the deadly act that Adam and Eve had caused way before my time

How am I supposed to live a shattered life with no return of normalcy  
How am I supposed to live with a wounded womb with no cure  
How am I supposed to live with the missing puzzle of my life  
How am I supposed to live with this empty hole in my chest

God, I am not challenging Your virtue of fate or destiny  
But my broken heart does not know or understand Your virtue  
My heart only understands sadness and sorrow from the loss of my son Patrick  
My heart is aching endlessly in the stream of my sadden tears  
Oh God, forgive me for my selfish thoughts  
I am just a lost sinner in the valley of death  
A lost mother in the river of my sorrowful tears  
A lonely angel in the darkness of my gloomy life

How am I supposed to live a shattered life with no return of normalcy  
How am I supposed to live with a wounded womb with no cure  
How am I supposed to live with the missing puzzle of my life  
How am I supposed to live with this empty hole in my chest

Forever in my heart. Love, Mom

The background is a textured, mottled olive-green or taupe color. In the upper right quadrant, there are two roses. The one on the right is larger and more open, showing its petals. **I LOVE YOU PATRICK. I MISS YOU!**

Good evening Patrick!

How are you doing in Heaven? I pray you are very happy,

at peace. I hope you have met all our loved ones in Heaven.

We have lost another family from my father's side... a 21 year old boy. He had his whole life ahead of him just like you and now cut so short. Why Patrick? Could you give me that answer in my dreams because I don't really understand why our children can't experience this life on earth before going home to God. What's the purpose in going to God so soon when it breaks our hearts?

When God call our children home so soon why can't we have our Angels more often in our dreams? I deserve that wish to be granted. Please Patrick help walk this sad journey. I need my son so much. Mother's Day is this Sunday. It should be a happy day for all the mothers, but I am so full of anger, sadness, pain, tears... Help me get through this day and each passing day. I will hope to get a sign on Mother's Day for comfort from my loving son... Angel Patrick Christian with all my heart. I will be at work Sunday. Wishing you always a blessed, happy, peaceful, and glorious journey with God, Jesus, Blessed Mother, and all the Angels and Saints. See you around my Angel. Thinking of you as always with love, prayers.

**FOREVER IN MY HEART!**

Hi Patrick

How are you doing in Heaven? Yesterday I went to another family's funeral... my father's cousin. I hope you have already met him in Heaven. Today marks nine months I have lost you to God leaving me behind with a broken heart, a shattered soul, a lonely journey, but it today is also a day closer to join my loving son in Heaven with God. Life is so unfair on earth. Mother's Day is next month... a very special day for all

mothers. But what about for mothers who have broken hearts? How should we feel about Mother's Day? For myself Mother's Day will never be the same... my life has changed. I can't get back what I had nine months before my fated day... my four sons. I miss you Patrick so much. I can now only pray, wish, and hope you will always be near me until we meet.

Please watch over your brothers. Alyana misses you a lot. Braelynn is getting big every time I see her. I hope you have been with me all along my days sitting by the computer talking, writing to you and crying from missing you.

**WISHING MY ANGEL PATRICK CHRISTIAN  
HAPPY EASTER!**

**LIFE BEGINS WITH THE RESURRECTION  
OF JESUS... PATRICK IS STILL ALIVE!**

Good evening Patrick!

How are you doing in Heaven? I hope my son is very happy with God. I miss you so much. I don't understand why you are not here with me. I can go over and over in my mind why my son left me and I still come empty without any logic answer. I understand we all here in this Earth temporary, but I don't understand why a mother should bury her child. I don't get it Patrick. Sometimes it does hit me for a second that you are really not here with me where you belong, and I still come back empty. I have no answer to help me believe about my loss... my pain. I really do not get it at all Patrick.

Easter is on its way... the resurrection of Jesus. It should mean a beginning of life for all of us when we leave this world. It should be just a transition to another life with God not the end of life

but just a release from our bodies. Is that the truth Patrick? If it is then I will certainly see my loving son Patrick again. I miss you so dearly it aches deep in my soul.

After I lost you to God, the world still continue to go on in full speed, while I am standing still with a broken heart, a shattered soul, an unexplainable journey of sadness, tears. But knowing you are still alive, I will try to take one day at the time as it still aches deep in my heart for not seeing you, touching you or planning your dreams. Please stay close by, help me make your life, your sweet memories alive in this world. When I am done with my work, please come get me because I don't like this world... it's so unfair. Until then do visit me more often in my dreams and let know you are OK, happy, and at peace. Sending you an Easter basket full of my love, hugs, kisses. Have a glorious day in Heaven. I love you. I miss you. I need you. My thoughts and prayers are always with you, Son. Take care of yourself. Love, Mom.

*Happy Easter!!*

Hello Patrick!

How are you doing in Heaven? Praying that God, Jesus, Blessed Mother and all His Angels and Saints are watching over my loving son, protecting and comforting my Angel. Today is the first day of spring... a happy day for a lot of people, but for your lonely mother is still a gloomy day. Wishing it is a glorious,

happy day for you in Heaven, for it is my only consolation out this horrible journey I am walking through. I hope and pray God will help me understand my journey.

I hope my loving son whom I miss more than life will always be close to me and help me walk along my journey. I am very sorry about your brother Frederick unkind behaviors. Please forgive Frederick as you know your brother is lost in his own little world I don't understand it. I hope and pray one day soon he will find his way to God and his family who love him despite his restless thoughts about us... me. I promise his misbehaviors will not happen again. I will always treasure your beautiful memories... your sweet life. Please watch over your brothers and take care of them. I pray that my four sons will always have a powerful bond, relationship. We all need your beautiful heart upon us! WISHING YOU A HAPPY SPRING TIME IN HEAVEN!

MAY YOUR HEAVENLY JOURNEY ALWAYS BLOOM WITH PEACE, HAPPINESS, AND GLORY!

**MOTHER OF GOD COMFORT PATRICK**

Good evening, Patrick

How are you doing in Heaven? Another holiday is on the way... St. Patrick's Day... another moment without you. I am trying very hard to focus at work while my thoughts of the last 24 hours of your short life is constantly draining my heart and mind. I have the same horrible question haunting me day and night... what had happened to my son? You supposed to be recovering very well as that incompetent doctor had promised me. I don't understand why you left me... I don't get it... I can't accept it. It's insane, Patrick! I am still hoping to wake up from this horrible nightmare and have my son back. Sometimes I want to pull my hair and scream until I drop on the floor and join you.

I go over and over in my mind why you left me so soon but come back empty. Nothing makes sense... it's unreal! How am I suppose to go on with my miserable life when I can't believe or accept you are gone to be with God. What about me? I need you too. I have to keep fighting my thoughts and focus in keeping your life and memories alive. Help me please! Help me feel your presence. Come into my dreams more often and let me know you are all right, happy and at peace in Heaven. I can't walk this horrible journey alone. I feel so alone, depressed...

Have a glorious, peaceful, and sweet night in Heaven. say hello to my grand mother, my father, and everyone else in the family you have met... hopefully you did and they taking care of my wonderful son whom I miss so much words can describe it.

Hi Patrick,

Another holiday is coming... Valentine's Day. You should be here today celebrating life, love with your girlfriend Monica if the doctors did not let you down. I know we are all on this earth temporary until God call us home, but negligence to life happens just like murder, suicide, which makes one leaves this life sooner than God had planned for. These are the cruelest acts can ever happen to human... to life... to the victims... to their poor families who are left behind to grieve, to bear unbearable, unthinkable pain, agony. Is it fair? No! How can ever accept my great loss these thoughts engraved in my heart, my mind, my soul. I am helpless Patrick. I need help!

This is how I remembered Patrick..... when he was a little boy, being so quiet, timid and has great resemblance of his father. At parties, you see him sitting at the table behaving so well, when his other 3 brothers were running around and playing. He sure was not an outspoken boy, but has a sweet and calm voice. As the years go by, we lost contact until the day of his death.... what a sad moment, see him as a grown man. I am glad that I am able to share this with you and to let you know that your family is not alone as we are here to give them support and caring to keep your spirit alive as always.... illuminate them so they can be strong and uplifting to continue to praise your kindness, sweetness and also make us understand why our beloved father does the things he does simply because he loves us and he

knows that you would of been better with him than on earth as he always takes the best! Keep us in your praisers so one day we can see each other in eternal life!

Amen....

## The Broken Chain

Author Unknown

We little knew that morning that God  
was going to call your name  
In life we loved you dearly,  
In death we do the same.  
It broke our hearts to lose you,  
You did not go alone;  
For part of us went with you,  
The day God called you home.  
You left us peaceful memories,  
Your love is still our guide;  
And though we cannot see you,  
You are always at our side.  
Our family chain is broken,  
And nothing seems the same;  
but as God calls us, one by one,  
The Chain will link again.

# A Message From Heaven

Perhaps you aren't ready yet  
to have to say good-bye...  
Perhaps you've thought of things  
you wish you'd said--well, so have I.  
For one thing, I'd have told you  
not to worry about me...  
I'm with the Lord in Heaven now--  
you knew that's where I'd be.  
I'm sorry that you're feeling sad,  
for I'm so happy now...  
I've asked the Lord to ease the hurt  
and comfort you somehow.  
It's hard at the beginning,  
but I know you'll make it through  
I hope it helps to know  
that I'll be waiting here for you.

I wish you did not become an Angel in Heaven so soon, for you were already an Angel on earth. Watch over your brothers and keep them away from any harm. But enjoy your heavenly angel duty in God home. I miss you dearly. Be at peace and happy among all angels mates.

How are you? How is the spiritual life treating my son? I pray you are gracefully, gloriously happy and at peace. Your physical life will always be alive and vibrant in this life I am living, although, this life is very empty, lonely, and painful without you, but I will take one moment at the time toward hope and faith; for my son... my angel will be around to help me with my journey of grief. One holiday has just left and another one is around the corner still without my son. WHY?

Frederick is going to New York by next week to start his dream. Please be close by Frederick and help him follow his desires and dreams gracefully, happily, safely. Kevin will return to college after the Christmas break... he will also need your angelic lead to a graceful path. Steve is enjoying his job, and also thinking about his other dreams. Please be his guardian Angel and help him also lead a graceful dream, desire, future. May your brotherly love, bond gets stronger and more powerful FOREVER. Alyana, Braelynn, Tina and her unborn baby; Desiree, Dion, Armani, Elsa, your father... they all need your protection. I NEED MY BELOVED SON EVERY SECOND OF LIFE... EVERY BREATH I TAKE, AND IN EVERY DREAM MY MIND DRAWS INTO. LOVE, MOM.

But remember you have a home on earth also. You will always be a part of your family. For I heard that death is not a termination but a continuation of life... in another part of the Universe. Patrick, help us feel your presence. Watch over your brothers, for they need you more than ever. Help me walk through the last day of my horrible year... the year they took my son away and left me behind to grieve alone. Be always around your

mother until we meet again. I MISS YOU SO MUCH, PATRICK.

**Hi, Patrick**

How are you? The end of the year is coming... the worst year I ever experienced in my life. The year I lost my most precious son, whom had left me so lonesome for longing your presence. I never thought I would see this miserable year touching my life so tragically. This year will ever be marked, stigmatized in my heart, soul, and life forever until we meet. I am so ready whenever God calls me to join that Hereafter I

have been reading about since you left me empty, confused, and eager to learn anything and everything about this Infinite Light. As you know I have been all the books about grieving and the Afterlife I can buy. These books are not comforting my great pain, but I can hope a little. With the grace of God, I pray I will get a little light through these cracks of hopes each time I finish a book. I know grieving is not a destination but a journey of hope and faith. Perhaps it will help a little each time you visit me in my dreams, so please, Son, come into my dreams more often, for I need my son dearly because my dreams of my angel are all I got now as your presence. I hope yesterday you were celebrating your memorial Mass with your family. They say death is not a termination but a continuation of life. In that case, one should not be afraid of death or be a stranger to a bereaved parent... a bereaved mother. And I will surely find out all about it when I join you as soon as my work is done in here.

Take care of yourself, Son. Please keep watching over your brothers, Tina and her unborn baby, Alyana, and Braelynn, and the rest of the family. You are our Angel now. Jevany needs your protection... stay close by him... and of course always be by your mother's side. A bond between a mother and her child can never break. I LOVE YOU... I MISS YOU DEARLY. HAPPY NEW YEAR, MY SON.

## **PRAYING YOU HAD A GREAT, PEACEFUL, GLORIOUS CHRISTMAS!**

**Hi, Son**

How are you? How was your Christmas in Heaven? I hope it was a great, peaceful, blessed, and glorious Christmas as all your days in Heaven. May God, Jesus, Blessed, and all the Angels and all the Saints always comfort and protect my beautiful son eternally. I hope my father and the other families were with my son celebrating the birth of Jesus... Christmas day... A Holy day for the world on Earth as well in Heaven.

Christmas was a sad day as the other days for your mother. I hope you were around us celebrating Christmas, for I was honoring Jesus' Day. Tell Jesus to forgive me for not celebrating Christmas, for my broken heart will not let me. I hope one day I will find that peace but only if you are close to me eternally. We had a Christmas lunch with the family. Steve, Tina, Alyana, and Braelynn gave me a beautiful gift... Momentum on your honor. I did not expect such important gift. It was very sad but touching to treasure it. I will hold dearly this momentum with my heart and soul, for I will definitively show you my precious gift

when God call me home to join my beloved son, Patrick whom I miss so deeply.

I hope you were there at the cemetery greeting us when the family went to visit you. It will always be difficult to visit you, but my heart and soul can't stay away. Come into my dreams more often. I desperately need to know that my beautiful son is all right, safe, and very happy to be in Heaven so soon because I am not, but then again I don't have any power to create life and certainly not to take life. I only have the power, thanks to God, to love you eternally and make your beautiful life alive and vibrant in my heart and soul and life eternally. FOR WE ARE BONDED FOREVER!!!

Hi, Son

This evening was the Annual Candlelight Day for all your beautiful Souls. I pray you were among us at the ceremony. It was a sad group with all your family: Your brothers Steve, Frederick, and Kevin, Tina, Alayana, your grand-mother, your cousins: Joanna, Angelique, Monique, Alex, Stephane, Casi, Jevany, and your girlfriend Monica. It was very touching, sad moment for all of us. I still can't believe you are not here with me... us... physically, but I know you are and will always be around your family spiritually. Come into my dreams and ease the pain and let me know you are happy, safe, and at peace.

HAVE A VERY HAPPY, BLESSED CANDLELIGHT DAY IN HEAVEN!!

I LOVE YOU, MISS YOU IMMENSELY... See you in my DREAMS.

**IT'S SO UNFAIR.**

Hello, my son

How are you? Praying that my quiet, friendly son, is very happy, and safely, peacefully comforted by the other Angels in Heaven. Today, it's Desiree birthday, and I kind forgot, thinking it's tomorrow. Lately I have been forgetting every one birthday. I am just so angry, bitter, alone with myself, the whole world. I am so angry that my hopes and dreams for my sons are shattered, gone in one unforgettable fated morning. It's unfair... you deserve to have a dream, and I deserve to wish my son the very best in life... not a broken heart, a shattered soul and lonely life.

Every one is going on with their own life while I feel so alone, lost, empty and you are far away. Why is that? I don't understand why you left so sudden and so young. I don't want to think about anything else but my horrible loss, guilt, anger. I would rather be in my room reading these grieving to feed my helpless mind, my broken heart, when I take a breath from being in front of your website. I don't get my shattered world... I don't understand it. Please help me grasp reality that my loss is real, my grief will not go away because you are not coming back to me, physically. But please, Son, I need you around spiritually to help me walk through this difficult journey I was chosen for... to help me see the light of hope, faith... until I see you in Heaven.

Since I started reading these grieving books... after-life books, I understand I am not the only one carrying my cross. There are so many horrible, sad stories out there, but a loss of a child is a loss, a grave tragedy, unthinkable agony for any one to endure no matter the circumstances it was involved. I feel for those bereaved parents' pain, sorrows. Life is full of tragedy, sadness, unfairness. Tell God as always, to forgive me for my bad thoughts, anger, resentment, and jealousy that I feel. I can't help myself with these feelings... I feel cheated out of my son's life, my hopes and dreams I had for you. I know I can't change fate, destiny but I can still hope, dream, or wish the best for my children as with any parent. Our children should be our future not our past. I am sorry God, Jesus, Blessed Mother. Please give me a sign that my son is safe, happy and in peace. Amen... thank you. I love you all. I send a big hug to my son, Patrick and I pray that my hug will last eternally around his angelic body until you call for me. I hope I was a good mother to you, Patrick.

All right, Patrick, I am going back to reading. I wish you a peaceful, happy and night in Heaven. See you in my dreams... see you later. I love you and miss you so much it aches through my shattered soul. I hope you like the heart flower I put at your grave site. You are FOREVER in my heart. Goodnight, Patrick.

UNTIL THEN SON, EMBRACE ME WITH YOUR GENTLE WINGS

**TO EASE MY PAIN, MY SORROW, MY LOSS.  
AND WAIT FOR YOUR MOTHER AT GATE HAPPILY WHEN THE ANGELS  
COME WITH THEIR GENTLE WHISPER FOR ME.  
LOVE NEVER DIES... IT CONTINUES FOREVER.  
THAT'S A GREAT, INCREDIBLE GIFT FROM GOD: TRUE LOVE.**

Hello, my Angel

How are you? I hope you are safe, in peace and happy in a comfort of God, Jesus, Blessed Mother, all the Angels, all the Saints and families and friends in Heaven. I got this passage in today reading. I subscribed Bible reading online. When I can't get a chance to read my Bible in bed, at least I read online every day. Anyway today reading got my eyes and hopes that i will see my son again as he never left me. This hope is all I got now to endure my pain, my great loss. They said that one day death will be no more. I pray it comes TRUE, but in any case, I will see my loving son either way: IN HEAVEN OR IN THE OTHER NEW LIFE.

BE AT THE GATE WHEN GOD CALLS ME. Enjoy the reading.

**SON, HAVE YOURSELF THE GREATEST, GLORIOUS HOLIDAYS!  
AND BRING HEAVEN HOME... I SURE NEED THAT  
PEACEFULNESS,  
HAPPINESS, SAFETY... IN ALL I NEED MY FAITH BACK.**

Good evening, my Angel

Yes, Christmas is on the way, and it suppose to be a time of joy... Jesus birthday, but you took my heart and I can't feel anything. Tell Jesus to forgive me because I can't help nor control my anger, feelings, loneliness. I am so confused, lost, and I am still waiting for this nightmare to go away so I can have my son back. When I go to the store because I have to, I feel so suffocated, sad, alone with full of envy seeing people shopping so joyfully when I feel confined in my own broken body. How did we get here, Son? The doctor said you would be fine... you are all right. What went wrong? You are now in Heaven, and me, I am left in this earth so shattered with pain, anger, and disbelief. I don't get it. The only thing I can do now is pray and pray, and pray for my loving son to be the most humble Angel and be in peace, safe and happy

in your new place called Heaven, for you are continuing your angelic duties in Heaven that you had left on earth.

I know you are watching over your brothers, but I still have keep saying it. Your mother is too weak to do anything. Be our guardian Angel until we meet in Heaven one at the time when our time comes.

I LOVE YOU AND MISS YOU SO MUCH. Do you have any idea what I am going through every day, every moment of my miserable life? I can't get the concept of not seeing you in this earth anymore. It's so hard for me to imagine that horrible twilight zone. I need to have you in my dreams more often because that's my only moment with my son until I wake up and face my nightmare again. I am still waiting to feel your presence... to understand that you are with God, Jesus, and Blessed Mother and They are taking care of my Angel very well. I know They will but I have to really understand. For that, I really need my faith. Help me find it please. Tell God to help me keep your memories ALIVE. Help me help the world and you. SEE YOU AROUND, Patrick. I will not quit knocking at the door until I can feel that peacefulness, happiness, wholeness whether in here or in Heaven. It's God's call... I am just a lonely sinner, mother

**MAY YOUR BRIGHT LIGHT ALWAYS SHINE GLORIOUSLY, ETERNALLY, MY ANGEL.**

**GOD, JESUS, BLESSED MOTHER, PLEASE, HELP ME  
FIND MY WAY TO YOU AND MY FAITH. YOU ALL KNOW  
THAT I AM A VERY SPIRITUAL PERSON, BUT SINCE  
YOU CALLED MY SON TO JOIN YOU AND YOUR ANGELS,  
I AM JUST LIVING THROUGH THE MOTION OF MY SORROW,  
ANGUISH ALONG MY BLINDLY JOURNEY OF GRIEF.  
I AM NOT IN THIS JOURNEY BY CHOICE, SO PLEASE HELP  
ME WALK THIS ROAD, HELP ME CARRY MY CROSS THAT  
IS WAY TO HEAVY FOR MY FRAGILE BODY.  
HELP ME LET GO OF THIS GUILT OF LOOSING MY SON.  
HELP ME GET THROUGH THESE HOLIDAYS THAT ARE  
SMOTHERING ME WHOLE.**

# Mom

Good evening, my Angel

As always, I hope and pray with all my heart and love for my son to be at peace, safe, happy eternally. I miss my son so much it's driving me insane. I would like you to know that yesterday, I got in contact with your aunt/ God-mother, Nicole. If you can see your website, your God-mother did light a candle for you. I pray that all these candles reach you in Heaven safely and brighten your beautiful new home ETERNALLY. You tell God when I get there, I will ask Him why did He take my son instead of me. A mother should not bury her child... because it's the ultimate pain to endure. I am aching too much without my son. It's so wrong, unfair to you... to me.

I hope you can see your two Christmas tree I set in your bedroom and at the cemetery. Happy Holidays, Son.

**I LOVE YOU, MISS YOU FOREVER AND EVER AND EVER!!!**

EACH MOMENT I MISS MY SON, I LOVE YOU MORE AND MORE  
A LOVE OF A CHILD NEVER DIES...It ONLY GETS STRONGER WITH  
EVERY BREATH, EVERY THOUGHT, EVERY MOMENT THE ANGUISH  
DEEPENS, AND EVERY DROP OF MY SAD TEARS.

Hello, From Heaven, My Beloved Son

How are you, son? I hope and pray you were with us today, having a Thanksgiving meal with your family. Steve and his small family were with us celebrating a very quiet and sad Thanksgiving Day. We missed you so much here. Life will never be the same without you, especially for your mother. You took a big chunk of my life with you in Heaven. I will just have to wait until we meet to get it back and reunite with my loving son ETERNALLY. In the meantime, you are very safe in my heart, mind, and soul FOREVER.

Monica stopped by the house and spent a few hours with us. I hope you are watching over her and protect her. Please be at Peace and have a very happy, safe and glorious day and the days to come ETERNALLY. KEEP WATCHING OVER YOUR BROTHERS. THANK YOU, SON.

**YOU ARE LOVED, CHERISHED, REMEMBERED, AND MISSED FOREVER!!!**

HAPPY GLORIOUS THANKSGIVING In HEAVEN, MY SON  
I LOVE YOU... I MISS YOU ETERNALLY.  
COME INTO MY DREAMS, MY LIFE AND MAKE ME  
THE SAFEST, GLORIOUS MOTHER. I NEED YOU, SON.

I LOVE YOU AND MISS YOU SO MUCH  
MAY YOUR LIGHT SHINES ETERNALLY

Hi, Patrick

How are you? I wish and pray you are all right, safe, and very happy in your new world, home. Is it hard to adjust in Heaven? Does Heaven celebrate Thanksgiving? I am cooking for Thanksgiving even though it will be very hard to pretend I am living, but I have to keep the tradition on your name... your memories. I can't just stop having a Thanksgiving meal because you are not in this world any longer. It

would not be fair for my son because you are always alive in my life, my heart, my mind, and soul... nothing has changed... and nothing will ever change... YOUR LIFE GOES On IN MY LIFE...MY WORLD FOREVER.

Steve, Alyana, and Tina will be spending Thanksgiving with us. I just came from Stop & Shop from shopping for Thursday meal. I got the Turkey and everything that goes with it. Please, Patrick, be close by and help me go through that day... and every other day until we meet. I got you your cranberry sauce, and I will leave a plate for you because this is your home too. You have now two homes, OK? I hope and pray you will be with us at the dinner table. Every Thanksgiving, you eat the whole can of cranberry sauce all by yourself. I will miss my son, asking me for his cranberry sauce on Thursday. Who will eat your cranberry sauce this Holiday? I guess I will try to take a few bites in your memory even though I have never tried it. God, it's so wrong, unfair you are not here.

I just finished reading another book about after-life, Hello, From Heaven. I want so much to believe that you are always be around me... us. I know I will see you again in Heaven as soon as God call me home, but I still want to feel your presence at all the times because I need you so much in my life... your brothers need you... your nieces and nephews... sister.... your father.

I will set a small Christmas tree in your room, so drop by any time your heart desires... it is still your bedroom. Patrick, please, don't ever leave home... your home... I need you very close by.

AGAIN HAVE A VERY SAFE, PEACEFUL, AND GLORIOUS THANKSGIVING DAY  
IN HEAVEN IN FRONT OF GOD, JESUS, BLESSED MOTHER, AND ALL THE  
SAINTS AND ANGELS... AND ALSO MY FATHER.

SEND MY WISHES OF HAPPY THANKSGIVING TO MICHAEL JACKSON AND  
PATRICK SWAYZE.

I LOVE YOU AND MISS YOU IMMENSELY!!!!

Good Evening, my son.

How are you? I pray you are very happy and at peace. I miss you so much. I just came from your brother Steve's birthday ceremony at his house. It was quiet, nice, but very sad for me seeing all these young men having a good time. Please don't say that life goes on because that can't be for me. Leaving me has changed

my whole world... life. My heart is numb.

Please, Patrick, watch over your brothers especially Steve... he needs a guardian angel to watch over him constantly. This world is too cruel. People are never satisfied. I am sure you know what I am talking about. Talk to God, Jesus, Blessed Mother, the Saints, and all your angels mates to help you take care of your brothers.

I am sending you a big hug from your brothers. Next month, is Braelynn, Alyana, Desiree, and your father's birthday. I brought some chocolate cookies, your favorite cookies to Steve as a birthday present to him from his wonderful brother, Patrick . I hope and pray you were there too when we were cutting Steve's birthday cake. Patrick, we really need you around us every second of our life. Don't be too quiet to make us feel your presence because it's only way to communicate with us and still be part of the family. **WE WILL ALWAYS BE YOUR FAMILY...I AM ALWAYS YOUR MOTHER. THIS IS ONE OF THE GREATEST GIFT GOD GAVE ME... My CHILDREN.**

Good night. I am going to do some reading before I turn in... whenever my body gets too tired to feel any pain and goes to sleep. Tomorrow will be four horrible months that you left me empty, alone, and so depressed. Walk me through this...

I LOVE YOU AND MISS YOU ETERNALLY... RECEIVE MY HUGS AND KISSES In HEAVEN.

Hi, Patrick.

I have some great news for you. Frederick was accepted at Columbia University in New York. I wish you were here to experience his joy, but I am sure you are celebrating his victory in Heaven with the other Angels. I am very happy for Frederick, unfortunately I can't enjoy it with him because my heart is so broken from losing you and missing you. I grieve for my loss... my son every day. And every night I am haunted with so many thoughts of you. I want you back in my life and need you so much. No one knows how much I am aching.

I am sure you remembered your brother Steve's birthday on Wednesday. We will cut him a cake on Saturday. Again I wish you were here with us. I want so much to enjoy your brothers' company, but my pain and agony are greater than my willpower. I am so powerless... I miss you more than you can imagine.

Please keep watching over your brothers and walk with me through my helpless journey. Help me keep your memories alive and come to me when my work is done. Until then, please keep visiting me in my dreams... there are my best and happiest moments. Help me feel your presence... help me heal.

Give my love to Michael Jackson, My father, my Godfather, your grand-mother... everyone else you have met and made friends with. You sure know how to take care of your best friends. Steve and Ayo are very lucky to have you as their best friends. They had lost the greatest friend on earth. I am sure you will keep your special friendship from above and watch over them. I ran into Steve a lot at the Christmas tree shop. Monica came by last night. It was very hard to talk to her because I was planning your future together in my mind. It so sad my hopes and dreams were cut so short in one second. You would had been a great couple. I would have to worry about your relationship. You two were the quietest couple I have ever known. You were surely a great match. Watch over her.

**YOU WILL FOREVER BE MISSED, REMEMBERED, AND LOVED!!!**

***Mom***

Hi, Patrick.

First, I LOVE YOU. Second, I MISS YOU. Third, I NEED YOU in my Heart ETERNALLY. That being said, you know, and I know our bond would be stronger with each breath I take. You have no idea how much I miss my son... how powerless helpless I feel without you in my life, my world. I still can't believe you are gone to another home, but the pain still burns in my heart every minute I think of you... my wonderful son... my soul.

This evening, Steve and I went to another meeting at the Compassionate Friends. It was very hard talking about my horrible loss, my angel. I still like to go to the meeting even though it hurts to be there or talk about my son who is physically far from me, but is very close to me spiritually and deep into my heart and soul. I brought with me a couple of grieving books as usual. I spend most of my time reading these books, writing my thoughts on your website, and 24/7 thinking about my loving, quiet son as I take each breath at

the time to survive life... my lonely life. Patrick, you had a heart of gold on Earth, and now Heaven would get to experience your beautiful GOLDEN HEART. Let me feel your presence FOREVER. BE SAFE,

HAPPY, AND AT PEACE.

See you in my dreams. I LOVE YOU... I MISS YOU... I NEED YOU ETERNALLY. MAY YOUR LIGHT SHINES ETERNALLY. HUGS AND KISSES.

Dear Patrick,

Your mother recently made this website and It is hard to see that this site has to be on the fact that you past away; it shows how much of a great mother she really was and I love my aunt for being so strong lately. I want to let you know that I never forgotten you nor your family, we have been dealing with our own stress and going through life as an everyday person. I grew up with you just like my brother Cassy, your brothers Freddy, Kevin, Steve, and our cousins Alex and Devin. We had so many memories together growing up; remember how we used to all wrestle together and play "elementals"? You were called "Vape" and your powers were water. It's cool how Freddy created something that we all could share together, "Just us" as cousins. We used to play Yugio cards together when

we was younger just hanging out together in your basement. That basement in your old home has so many memories to us; every time I'm at your house I always stop by downstairs and remember all the past experiences we had shared together. Remember during the summer when we were younger when we used to sleep over, we would wake up and run to the pool and go swimming and play together. Those were great times we have shared together, and I will truly miss those times we have spent together. I feeling of regret have hit me the week during you passed away; that regret was that we haven't gotten to hung out lately and spend time together. Crying isn't really in me and I try not to, but I was truly torn when you pass so unexpected without anyone knowing. Now you moved up to your new home in heaven and now you watch your family and friends from a better view. Please look out for us and help guide us into better directions for the ones who are struggling in our families. MOST of all I know you are with your mother and watch her constantly, please give her strength and help fight this pain in heart she has still been experiencing. I don't like seeing your mom sad at all; it makes me feel torned honestly; as well as my mother and grandmother. So give her that stength and guide her to her following life. I LOVE YOU and wish to see you during after life cousin.

Much LOVE, your cousin Jevany

Thank you, Jevany. God bless you and keep you in the right path. Love, Patrick's mom... your Aunt.

Good evening, my son.

I pray and hope you are very safe and at peace in Heaven. I hope you have met Michael Jackson, Patrick Swayze, Your grand-parents, and also our beautiful dog, Onex. Please give them my love.

My son, Patrick was named after our beloved actor, Patrick Swayze. I was very fond of him, his talent. When I think of Michael Jackson, I think of him as a gift, a genuine human being God had sent us in this

Earth even for a short time. Michael Jackson will always remain a great legend to all of us and generations to come FOREVER. Michael Jackson is also a momentous symbol between my son, Patrick and me that is engraved in my heart, mind, and soul FOREVER. I have always loved Michael Jackson, but the day he passed away, my son, Patrick and I shared a beautiful moment together watching his videos all day, night... three weeks later, I lost my son. From that moment on, when I think of my beautiful son, I think of Michael Jackson instantly. Every time I visit my son at the cemetery, I have to play Michael songs so my son and I can hear the beautiful songs and bond more deeply. I listen to his songs driving as I think about my son, cry about my horrible loss, and long for his presence. I MISS YOU DEARLY, PATRICK.

PATRICK CHRISTIAN BARBOSA, MICHAEL JACKSON, AND PATRICK  
SWAYZE,  
YOU ARE ALL FOREVER IN MY HEART, MIND, AND SOUL  
PLEASE BE SAFE, HAPPY, AND PEACE  
LOVED, REMEMBERED, AND MISSED INTERNALLY!!!

***Mom***

Hi, Patrick. How are you? Are you making some friends up there? I don't know what is going on up there, but from reading George Anderson's books, it seemed as there is a whole new world in Heaven. People... I mean the spirits are working, making friends, helping new ones cross over... I pray they are very old spirits crossing over. Then again who am I kidding? This is life... a great mystery.

It's so hard to understand this new transition or grab this concept about the After- life. All I know and understand a mother should make that transition before her child and greet her child in Heaven. I don't understand anything else. I am trying very hard to have faith on myself and trust God, but I am aching deeply. I hope God understands me and forgives me for my thoughts.

Tonight, your cousins Jevany, Alex came over to spend time with Kevin. I made dinner for all the boys, and it was so hard to hold back my pain and serve them. It is torturing to see boys around your age having

fun or entertaining themselves. I don't like feeling this way, but I can't help myself for being jealous. I miss you , Patrick... I miss you. I don't know what else to do or think. See you in my dreams when I get to it. Be at peace as always. I love you very much... I need you near by.

### ***Mom***

Today is another Wednesday, the worst day of the week... a day I can never forget. I lost you that day, and since that horrible day my world is incomplete. Just stay in my heart and keep me company so I can be able to walk this torturous journey... a journey of penance. God, please take care of my angel. Help my son earn his wings... help him help his brothers. I am too broken heart to take care of myself or his brothers... it's Patrick's new deed to keep his brothers on the right path way. Thank you.

I am going to do some reading. I am almost finished with the second book, We Are Not Forgotten from

George Anderson. And the sequel of his books I will hit next, is *Our Children Forever*. You see, Patrick, I have to meet you again. I just wished I was there first at the other side of life to greet my son. Gosh, I miss you so much. Where are you, Patrick?

I need to keep reading these books and help me understand my great loss, my tragedy, my unthinkable sorrow... our reunion. My heart is numb, cold... I can't handle any other feeling. Please take care of your brothers for me. I am too lost. Thank you, my son. I love you Patrick. BE AT PEACE.

## ***Mom***

Good evening, Patrick. I hope they are taking care of you very well in heaven. I am really aching in my heart, soul... my whole being because I can't accept you are not here... so my worst nightmare still continue along my lonesome journey. I really don't know what to do

or expect in life... I feel hopeless, helpless. I need you, my son. Catch my devout prayers, love, hugs, and kisses in heaven... always and forever.

## ***Mom***

Wishing you a sweet night before I go back to my restless night as usual.

It has been almost four horrible months since you have left me empty, lost, and without a will to live. I am not afraid of dying. You can come for me anytime you want.

This guilt of trusting the doctors to care for my son, are shredding my heart and soul rapidly. Why You?

Good night again, my son... see you in my dreams whenever I get the chance to fall sleep.

My life is really shattered and I am squeezed beneath

I LOVE YOU AND MISS YOU IMMENSELY!! HUGS AND KISSES!

## *Mom*

Hi, Patrick

I hope you are happy in Heaven, unfortunately I am not happy in here. I miss you so much. I am trying very hard to do things for you. I bought a lot of candies (The candies that you liked) and I just finished giving them away. I had a lot of people (Children, adults, teenagers) Kevin, Jen, Desiree, Dion, and Armani went trick & treat together. Steve, Tina, Alyana, and Braelynn stopped by the house for some candies. My heart was not up to give away candies, but I had to do it for my loving son. Thanksgiving and Christmas are coming and I don't know what I am going to. I will try again to go with the flow of the holidays for you because it's very hard to hold back my miserable feelings. I miss you so much. I really don't know what the future hold for me with the way I am going... I am so full of anger, guilt that you are not here with me where you suppose to be. You don't belong up there... it's so wrong for both of us... God, I am very sorry, but I have to be honest with my feelings.

The neighborhood seemed so happy trick & treating while your mother was horrible from missing you, as I

was distributing the candies. Life is surely very unfair and cruel. You were a good boy, Patrick, with a lot of hopes and dreams... and they just vanished with a blink of that fated morning.

Please be happy up there because it's my only consolation. Again Happy Halloween in Heaven. I left you some candies at your little shrine in your bedroom. Take care of yourself. **PEACE BE WITH YOU ETERNALLY. I LOVE YOU AND MISS YOU DEARLY.**

## ***Mom***

Hi, Patrick

I know when you were young you loved going for Trick& Treat until you got old enough to take another role: Passing out candies. You can still continue to pass out sweets from above. Spread your angelic wings to the world, especially your family and feed our hearts and minds with love, kindness, righteousness and faith. Thanks. Stay blessed with God and His Son, and Blessed Mother. You are always loved and missed forever... until we meet. **HAPPY HALLOWEEN** from here to up in Heaven. My best regards to everyone in heaven. Hugs and kisses.

*Mom*

Yes, Patrick, you are an angel in heaven  
Because you are with Jesus now.  
He will take care of my loving son  
God, Our creator will comfort you  
and show you the ropes of being an angel in  
heaven as well as in Earth because God  
knows your dear brothers need you to show  
them the right path... the path of righteousness  
and faith. Thanks.

Gosh, I can't get past your sudden demise.  
No matter how hard to try to make myself  
understand, my heart remains still with denial  
anger, and pain. What should I do, my son?

Please Enjoy your Glowing, Peaceful, Eternal  
Blessed Life, my Angel.

FOREVER MISSED, REMEMBERED, AND LOVED.

You are my Shining Star! You are always in my mind and heart... even though they are both shattered.  
REST In PEACE My ANGEL.

***Mom***

Hi, Patrick. I miss you... I love you. Take care of yourself, my angel. I hope you have met my father, Gabriel who went to heaven when I was just fifteen years old. Your grand-father had a heart of a child...

kind, forgiven, easy-going man. My godfather, John Gomes was another great human being with a heart of a child. I guess you took after your grand-father. Please give them my love. I have a big family in heaven. I send them all my love. I hope you are present each time during the Masses celebrated for you.

I am reading another book, *We Don't Die* by George Anderson. Is it true? Are you still alive but just a little far from me? I truly want to believe this After life... it could be a great console for my broken heart. Let me know please. The author said that when one goes to the other side, one is welcomed by member of family. Does it mean you were greeted by my father... your grand-father, Gabriel? Perhaps your father's mother was also there to greet my beloved son. You did not know my father, but you lived with your grand-mother, Dominga for ten years. How are they treating you up there? Take care, Patrick.

Love you and miss you, my angel until we meet.

### Grieving

I am running out of words to describe my loss  
I am running out of strength to restraint my anger  
I am too weak to hold back my pain, my tears  
I am too shattered to hope for comfort  
I am just lost for spiritual growth  
I am too victimized to believe in After- life  
I am just crushed and overwhelmed with my grief  
There is no enough word to spell a motherly pain  
This is what a cruel grief does to a mother

But I will never be apart with my son's memories  
His Earth life is vibrant in my heart and soul  
His angelic life is a melody to my ears  
His name is a chanting of my heartbeats  
My dreams are the symbols of my son's love  
My prayers for my Angel are our sacred channel  
As I wish Patrick a joyful peace and glowing light  
Eternally.

My Loving son, Patrick

*Mom*

Good morning, Patrick

I am thinking of you with every breath I take... every minute of my agony. My dreams of you tell me that my beloved son wanted to live... to be with his mother. Why did God take you? Please let me know why

you left me. I don't get it. You were an angel in Earth. This crooked world needs more angels like you. Why take our angel? I can complain or be angry until I pass out but it will not bring my son back to me, but what else can I do? I am still that lost sinner, a lost mother who is longing for her son so bad it aches deep into my soul. People say it will get better. How? I am drowning slowly into the darkness of my sorrows with no hope. I am sinking slowly into a quicksand with no strength to pull myself up. I am helpless in here, Patrick. Come to me.

I just received two others of the grieving books I have ordered: "We Don't Die, We are not Forgotten." I have been reading so many of those books in addition to reading the bible, praying, etc. I hope it lighten my faith and lessen my anguish of losing you, and you are very close to me even in another world. I will let you know of my reading progress. I am going to visit Steve because I need to know how to manage your website and make it very nurturing. I am very unhappy, sad, miserable, and I hope you know that. Rest in peace and stay close to me, so I can also feel my peace. The Bible says that at the end of the world we will see our loved-ones and there will be no more death. I wish it come soon so I can see my son again. It is very selfish of me to have these wishes and thoughts. Again, what else can I do, think, or say? My broken heart is guiding into my lonesome journey. I love you dearly, internally. I love God, Jesus, and Blessed Mother. Be happy, my son. The light of my undying love will always shine over you. I can sit in front of the computer, cry, talk to you and I will still have more undying love, words, and tears for you... I am helpless, hopeless.

Hi, Son

You are up there hopefully in peace and happy in your new home while I am down here in this world feeling angry and lost without my son. Is it fair? I am plunging my sorrows while feeding my helpless mind with lots of information with these reading about, grieving, life and the after-life. I am trying to understand what's happening to me, why, and what's ahead of life and beyond. I am searching for comfort, peace, understanding after my horrid loss. In addition, I am searching for my faith I have lost along my journey in grieving.

Reading these different kind of books about grieving, supposed to give me a comfort that we will meet again, but all I can feel is my pain and anguish. At the same token, I like to know all and every thing about the after-life and the process of healing my unthinkable loss, unimaginable pain. Patrick, you know I can't cross that path of healing by myself. I need you, God, Jesus, and Blessed Mother to show me the way. I hope that day will come because my life is really miserable and empty.

But sometimes I feel that my pain is a reminder you are still alive and vibrant in my broken heart and you will always be there. If the pain is gone, then what am I going to do with life? I need to feel your closeness

constantly and forever. I know I will never forget my loving son... that bond of motherhood never dies. I really need my Patrick in my life and soul.

When I am reading these books or articles about grieving and after-life, I feel deeper in my loss, my pain, but I am still drawn to continue the reading in order to understand my pain, my journey or the journey of these bereaved parents. It makes me scare of my journey... my new helpless world, life. It's a lot to absorb and a lot to take in my broken heart.

As I read these stories after stories about how these bereaved parents survived their loss and how they can bear their loss and pain with new life, I wonder how did it happen. How will I get there? Only time and God can tell. I can only take one moment at the time as I cry and cry with my pain of losing my great son. As I always said, I am just a lost sinner in the sorrows of my pain and tears, where my world is spinning with no direction in landing my faith and peace. I don't want to take any medication to heal my broken heart. For one thing, I never trust these psych medications. For another reason, I don't want these stupid pills to suppress my emotion. I want to feel you alive in my heart and soul constantly. I have no energy for social life but to feel you. Today I wish I did not work all these overtimes just to pay the bills and spend more quality time with my son... but I had to work those overtimes to survive... to take care of my family. Life is full of struggle, pain that can crowd a poor mind for survival instead of spending more time with family. I pray I would be able to spend more quality time with your brothers and nieces because all I can think now is you and my pain. I will cherish all the times, memories I had with you and your brothers. I believe I did the best I could to be a good mother. What do you think? I am very thankful about the precious moment we had spent in your bedroom watching Michael Jackson videos. But it makes me sick to think that it was a farewell to my loving son... three weeks later, you were snatched from my world. I am so mad! It's so unfair and just a cruel joke! I am still grateful and thankful for that beautiful day with my loving son..

All right Patrick, I am going out for some errands and I will see you at the cemetery later on. I love you and miss you so much.

Hi, Patrick

I have been browsing the internet over and over to find some tutoring how to customize or manage a website; unfortunately, no luck so far. I want you to have a beautiful website, so I will keep trying to learn on my own. This is what you get when you are computer illiterate. I am not quitting until I give you a great gift of heavenly mother. Gosh, I miss you Patrick. You have no idea what you have done to my poor heart, soul, and life. I am just helpless in this world. All right, my love, good night. See you in my dreams. Love you internally. Watch over your brothers and comfort them. They need you more than ever. Please don't quit on them when you see them trip over. Boys will always be boys but you already know that. Good night again. May the Angels always your best mates.

MAY YOUR LIGHT SHINES FOREVER!!! I LOVE YOU, MY BEAUTIFUL ANGEL.

HIT THE PAD FROM HEAVEN

Hi, Patrick

How are you doing in Heaven? I know God is taking care of my loving son very well. He wanted you among His Angels, so He took you away from me. I am trying very hard not to be angry at Him because I

want to believe that He had a reason to call you in His Holy home and leave me empty. Now He has to take care both of us... I know He will. I am hurt and very much alone without you. I can't wait for my son to have his headstone, but it will never be a symbol for a closure that you are really gone from me. You are always alive in my heart. As they said, you are just in the next room waiting for my time. They should put the foundation this week. I don't like to see your resting place with no definition... it's depressing.

I was browsing the internet, so I picked a few things that you loved: Some of Michael Jackson videos from You tube and also the dance revolution game you have always loved and played for the longest time. In addition to the list, I got you some pilgrim videos. You can watch them with God, Jesus, and Blessed Mother. I hope you will enjoy them when any body tries to play them. See you around. Love always, Mom.

Hello, Patrick

I forgot to tell you earlier I received Michael Jackson's picture that I have ordered last week. It's a big picture and I framed and put it right at your headboard among your pictures. Now your are with Michael in Heaven as well as in your bedroom. Your bedroom has a lot of pictures of you and your family... it's lovely atmosphere. I am sure you already know that. Drop in anytime you want to feel our presence. I hope it's ever day. We all miss you very much, and I am yearning for my son's presence. May God protect you with all His love in addition to my undying love that I am sending every time I take a breath. It's so amazing how God puts that imaginable love in a mother's womb the moment a child is conceived, and that incredible love is nurtured forever even death can't break it.

TOGETHER FOREVER MY SON. I LOVE YOU.

## Mom

Hi, Patrick

I miss you, Son, but as long you are alive in my heart, soul, and life, I will be all right. I am putting up a paragraph, I read in one of the grieving books ,I have been reading lately. The author said that our loved ones who have gone to God, are not here in this Earth physically, but they always will be here in spirit. I believe this great gift from God, but I still missed you and wanted you with me. God is our creator, He gave me my sons as gifts of motherhood and now He received one of His gifts back... He will now help me heal and will give me the courage and strength to find peace of loosing my precious gift of love.

Anyway, I love this paragraph of eternal bond, and I hope you will, too. I will always feel you around until we meet. So here is the beauty of eternal love:

"Death is nothing at all. I have only slipped away the next room. I am I, and you are you. Whatever we were to each other, we still are. Call me by my old familiar name, speak to me in the easy way which you always used. Put no difference in your tone, wear no forced air of solemnity or sorrow. Laugh as we always laughed at the little jokes we enjoyed together. Pray, smile, think of me, pray for me. Let my name be ever the household word that it always was, let it be spoken without effect, without the trace of shadow on it. Life means all that it ever meant. It is the same as it ever was; there is unbroken continuity. Why should I be out of mind because I am out of sight? I am waiting for you, for an interval, somewhere very near, just around the corner. All is well."

HENRY SCOTT HOLLAND ( 1847-1918), canon of St. Paul's Cathedral, London

There it is, Son! Henry Scott Holland is right. my son, you always will be in my heart, soul and every fiber of my being. Patrick, please stay by my side forever. I am your mother and you are my dear son. God will not break that sacred bond that He had created for us... and all the mothers and their children in this Earth. See you around. I LOVE YOU and MISS YOU. Keep watching over your brothers, my sweet Angel.

MAY ALL THE PARENTS FEEL THEIR LOVED ONES IN THEIR HEARTS AND LIVES FOREVER!  
WE ARE ONE AND ALWAYS WILL BE ONE! Life and death are intermingled with LOVE and PEACE for eternal.

I LOVE GOD, JESUS, BLESSED MOTHER, and my SON , PATRICK. BE HAPPY IN HEAVEN ALL OF YOU!

Hi, Son

As you already know, today was your three months Mass celebration. Monica, her sister, and your friend Steve and also Monica's mother were there. Steve, Kevin, Tina, Alyana; Braelynn, Elsa, Dion, Desiree, and Armani, and me, we were all there. Freddy had to work. I hope you were also at the Church celebrating your Mass with us. It was very emotional as usual. I have always felt happy and in peace in the Church, but since you left me, every time I go to Church I have those painful flashbacks of your funeral service, and they hurt me so much from missing you. Patrick, you did really change my whole life. Nothing feels the same anymore... I feel numb, different about life and every thing else.

After Church, I made some pasta and meatballs, one of your favorite meal. Everyone ate. I hope you were eating and spending time with us. I was also distributing some of your spring' winter jackets to family and friends. One of the red jackets, I put away for souvenir. Now everyone has something of you just as I wanted. I don't want anyone to forget my wonderful son. I have saved one jacket for your best friend Ayo. I heard he will be here in December. Once in a while I ran into your friend Steve at Christmas Tree shop. I know I feel like a broken record, but what else can I do? I miss my son so much that it is smothering me from just thinking about you never mind missing you. I will never get over your passing and leaving me

empty in this world. No one understand my anguish. Ok, Patrick, I am going to bed... well I am going to try to get some sleep as usual. See you in my dreams when you are ready. Please let me know you are happy and in peace. See you around my son. I love you and miss you immensely. Good night. I am sending you a blue love and kisses... your favorite color. May my love and my candles lit give you comfort, peace, and happiness forever.

**MY PRECIOUS ANGEL, YOU ARE LOVED ETERNALLY!!!**

Hi, Patrick

This is another painful day without my son. Tomorrow would be your three months Mass celebration. It has been this long that you have gone to God and left me to go on my lonely journey. It has been three months without my son to yell at about the homework, and hearing your voice echoing into my mind with these polite words: " Go upstairs, you don't know what are you talking about? But to me, it feels an eternity I haven't seen my son. I don't know what to do, Patrick? I have no desire to do anything. I wish I could curl up on my bed until the pain goes away or you come back to me and wipe away this nightmare I have been living for the past three months, but I know life or the world with its problems would not let me. I have to

face my pain, my reality that you are not coming back to me... but it does not mean I have to believe you are gone because I can't do it.

I think I told you about the Compassionate Friends that I had joined for lost parents. Last Tuesday was my third meeting with Steve. It's a very helpful place to be. We, lost parents, understand each other and feel one another pain, loss, anger, anguish, etc. At the end of the meeting before I leave, I grab some books about grieving, healing, heaven... and a lots of grieving articles I can get. I start reading them as soon I get home and I can't put them down.

In one article, the author said that until we are able to let go of our child physical death, we cannot embrace their spiritual essence. Another one mentioned that the farther she walks from her daughter's death, the closer she feels to her daughter. In addition, she said that if we allow our children to lead us to dance in the rain they will eventually dance us out of the severe storms of pain and into the sunshine of peace. I hope I will get that chance, that spirit, but right now I can't stop myself from crying, missing you, or being angry at myself and my great loss.

Oh my God, I read so many sad stories in these articles. Life is truly a place to endure all kind of sufferings and even loss. I hope you are really in peace in Heaven. I just did not want to bury my child... I wanted it to be buried by my children. I guess I am a coward with death and pain. I just want you back so much that it aches deep into my soul. Is that bad? Does that make me look bad in God's eyes, in Jesus eyes, and Blessed Mother because of my anger and lack of faith? I do believe in Heaven... I can't change what has happened to me, to you. I also know I am not the only mother who has lost a child, and unfortunately, I will not be the last lost mother because that just how life is.

Since I got you this website, I am reading now different memorial notices, anniversaries, all the time. There are so many pain out there in this world. Patrick, my beautiful son, losing you does it mean that God has spared my son from your pain in losing a child or spouse? I don't know I can't read God's mind, but I can only read my own pain. I am lost without you. Please come to me and make me understand my loss and also you are all right... in peace. Most importantly stay with me until you come for me. Please watch over your brothers, sister, your nieces and nephew, and your father... and Monica. Make them feel your presence forever. My biggest fear is for my beloved son, Patrick, to be forgotten from this Earth. It will sincerely hurt me all over again as a new loss. Every thing is trivial now since I lost you. I know life is too short, but my world is spinning around me and I feel alone with my pain and lost. Enjoy your heavenly place as I hold you vibrantly and very much alive in my heart and life for an eternity.

## My Angel Son

You are now under the love of God in Heaven  
Your wings of kindness, sweetness are spreading over  
His Holy home among the other Angels and Saints  
Jesus and Blessed Mother have a great idea for their  
new angel, they have called home  
Your mother's tears along her tormented journey of grief  
will be uplifted by the love of God when the time comes

Please, Son, don't disturb your eternal and joyful resting  
place with your mother's tears, sadness, or pain  
I am just missing my loving son so much, and I am

longing for your presence.  
The puzzle of my life is broken but my love for you is  
always safe in my heart  
A mother and child bond never dies  
This is an equation of a motherly love... your mother.

**THIS IS THE ULTIMATE LOSS... PAIN FOR US**

**BE AT PEACE, MY BEAUTIFUL ANGEL**

A garden of roses and balloons for my loving son, shall always surround your resting place. This is one of my gifts of hope, love, and prayer for you. You are faraway but always by my side and safe in my heart. Love and kisses, my angel of love and hope.

**I AM CARRYING MY HEAVY BUT PRECIOUS CROSS  
WITH ALL MY LOVE... ALL MY PAIN AND SAD TEARS  
UNTIL I JOIN MY ANGEL INTO GOD KINGDOM  
YOU ARE ETERNALLY LOVED, REMEMBERED, MISSED**

Hi, Patrick

Today, is Wednesday, the day of the week, God called you home and left me helpless in this world. Monica has stopped by today to visit your mother and also you. Please, keep watching over her. You can nag her to focus on her studies, just like, I used to bother you a lot. I only wanted the best of you and your brothers. Please, don't ever leave the brothers alone in this Earth. Watch over them... make them feel your presence that you will always be there for them. You are now the big brother and the guardian Angel. Right now I am only focusing of my great and unthinkable loss, and you will focus on your family. I used to be a multi-task mother, but today, I have lost that energy.

It's a little cold today. I hope you are nice and warm in Heaven. You need to let me know how Heaven is. It should be a happy and peaceful place to be, but I still wanted you with me. I get frustrated not knowing how my son is... perhaps it will help your mother ease her worries about her son who left without a good-bye. I know I am complaining a lot, but what else can I? Seriously, tell me. I am still angry and very much in agony. I am not up in Heaven to know what is going with my son, so you need to let me know... come into my dream... my life and let me know please. A mother and son relationship does not end when God calls one or the other... it will continue beyond life because, my dear son, LOVE NEVER DIES between a mother and her child or children. That's one of the greatest gift God, our creator, Has put in each mother's genuine heart. Our relationship, our love, will continue to blossom until we meet in Heaven and continue our eternal journey of a mother and son's love.

Here is a beautiful flower of love, for a beautiful and wonderful son, from the bottom of my heart and every beat of my broken heart. Love you and miss you.

Good evening, my son

I just came from the "Compassionate Friends" meeting in Providence with Steve. This is the third meeting, and every time I go, I meet new parents who have their children. It's so sad to meet them, but I do feel comfortable going there because they understand the hell I am going through. No one tries to hurt my feelings because we are all walking the same sad road... the same unknown journey. Outside from the Compassionate Friends, the world is not so nice or understanding.

I brought with me two other books and a video about grieving. Reading these grieving books, is the same as going to the meetings... it's a comforting atmosphere, surrounding... but a sad one. Tell Jesus that your mother said to never let go you... my beautiful son. Please Jesus, take care of my son... help me find peace in my heart with my Patrick so dearly cuddle in, until you come for me. I love you, Patrick. I love you, Jesus, Blessed Mother and God. Forgive me for being angry, but I believe I have that right... that's a mother's love that God put it in my heart the day I found out I was pregnant with Patrick... Your gift to me, and today You took him away from me. I am so sorry, but it's very hard for me to understand Your reason... I hope You understand my reason of being angry, frustrated.

JESUS, I TRUST IN YOU WITH MY SON.

***Mom***

**YOU WERE AN EARTH ANGEL IN MY LIFE  
YOU ARE STILL AN ANGEL MORE POWERFUL...  
A SPIRITUAL ANGEL. HELP US DO THE RIGHT THING.  
WATCH OVER YOUR BROTHERS.  
THANK YOU, MY ANGEL... FOREVER IN MY HEART!!!**

Hi, Patrick

Today, I heard some disturbing news about you from Steve. He got the call from the State. I wish I did not trust the doctors and seek other opinion. Your main problem, was your headaches not your stomach. They misdiagnosed you and ignored your symptoms and complaints. Gosh, Patrick, tell me what to do now? I miss you so much. Be happy. Love forever.

*Mom*

# LOVE

I am sorry, Patrick, I could not visit you at the cemetery today. I have been very busy with your website. Please show me the way to make your website the most memorable and nurturing site for me, you, and the visitors. Bless everyone who browses my other home... your home. Amen. I hope you don't think your mother is losing it. I just miss you so much and longing for your presence, your angelic touch.

Please enjoy this TV. You look so cute. I believe you remembered me taking this picture after two weeks nagging you to let me take you some pictures for my website. I did not have no skills with computer... I still don't. I know you did not like to take picture. Guess, what Patrick? I never got to post the pictures on my site, and here I am managing your website. I think you are helping me on this journey because I have no idea how I began to work on your site. Lots of frustrations, tears, and love help me this sad train of memories lanes. A website should not happen for our children... it's unfair... very wrong and painful.

Patrick, my poor son, you never got to fully enjoy your new DIGITAL TV you had just bought a month before God called you home and left wandering in aches in my lonesome journey.

**BE HAPPY AND SAFE. I LOVE YOU VERY MUCH!!!**

### ***Mom***

**MAY THE PEACEFULNESS IN HEAVEN ALWAYS**

## COMFORT YOU AND BRING YOU ETERNAL JOY. AMEN.

Hello, Patrick

I hope and pray that God's Angels, Jesus, and Blessed Mother are taking care of my son very well. As you already knew, I have been ordering a lot of Michael Jackson DVD and CD. I received two of the same CD, "Dangerous." I asked Steve if he wanted one of the CD; he said that he already have the songs. I decided to return the extra CD, but in the morning, I thought about Alyana, so I gave her the CD. I heard she loves the songs. I told Alyana to take a good care of this CD because I gave it to her on her uncle Patrick's honor. Your niece promised me she would. I am sure you will listen the songs with Alyana... she can also join the bondage between you and me and Michael Jackson.

Patrick, my life seems so unbearable now and full of guilt, regret and longing for my son. I wish I could turn the time back, so I could start those 24 hours of life differently. I don't know what could I have done differently because I am still not a doctor or God... but I could trade my life for your life without thinking. I am helpless in this world now... lost. Please forgive me for my thoughts... right now that's all I have left in me. My whole body is numb. This what you have done to your mother when you left me without even a goodbye or a warning. I know you wanted to live... I am sorry. I am ready whenever you and God come for me. I wanted to accomplish my dream to help the world... but I am still ready for that next life.

Take care of my angel. You are always loved, remembered, and never forgotten! PEACE BE WITH YOU ALWAYS! PEACE TO THE KINGDOM OF GOD, EVERYONE In HEAVEN!

***Mom***

Good evening, Patrick

How are you? I hope you are resting peacefully and happily with God who took you away from me... from your family in the middle of the fruits of your life. God must have a great reason to snatch you away from your mother who is yearning for your presence. Now God, has to show me a way to go on with my miserable and achy life without my loving son. Oh God, please, You need to overlook my anger, my complaints, and help me heal. I don't know what else to say or think. My broken heart is the lead of my selfish and angry thoughts or speech. I am sure, Blessed Mother knows what I am going through now... my agony, my loss. The worst nightmare of a mother, is losing a child. I never thought I would see that day coming... life is short, and destiny is surely uncertain. Please Jesus, forgive me for my tantrums, my frustrations because I can't keep them inside my heart... remember, this poor heart is already too broken, to

hold in my frustration or anger.

Patrick, lately, I have been busy reminiscing my precious moment with you and Michael Jackson. Today, again, I watched another DVD concert of Michael Jackson that I just received. After, I came back from visiting you, I watched the entire video. I am still hoping you are always by my side when I am watching Michael Jackson or when I am going through my fazes of tormented moments without you in my life... which are every moment I think of you, imagine that you are near me, or our life together. I just ordered some posters and picture of Michael Jackson to put in your bedroom. Please feel free to visit your bedroom anytime you want. No one has to ask who's room is it, because it is blooming with your sweet memories... the whole house actually is. Don't worry, my son, your mother will make sure your memories and life will always be alive in my heart, your family's hearts and beyond... See you tomorrow at your resting place, in my dream, or your dreamland. May your light brighten eternally around the Doves and Angel of God's heavenly kingdom... and hopefully one day, my light will brighten as well, and the darkness in my gloomy life will fade away but not you in my heart, my soul, my life. Patrick, you are dearly loved and remembered forever in my mind, heart, and soul. Keep watching over your dear brothers. Thanks, my love. Hug and kisses from here and above. You are my Dove, my sweet angel.

## ***Mom***

Good morning, my son

First, I love you and miss you so much. I hope you can hear me or see me as people have been telling me. I see your image every time I think of you... every breath I take. I see you standing in front of my bedroom door asking for something or talking to me. I pray every day and night to see you just once... more time. I am aching so much for losing my son, and I am longing for your presence so bad. I am sorry but I am going to tell you that I can't see myself going to visit you on raining days or snowing days because it hurts too much to imagine my loving son under ground while the rain or snow is upon him. I know we are all dust and dust we will return, but your mother did not want to see that day coming. I wanted my children to bury me.

I also know I am not the only parent who has been through these horrible, unthinkable, crucifying moments, but I have to speak for myself, my torture, my pain... this cross that I am carrying so heavy on

my shoulder, my heart, my soul... it's so... hard. God, I am so hurt and feel alone. Rest in peace, Patrick, with the Angels... I am sure you are getting along very well with your new friends. That was never a problem for you on Earth. Take care of your brothers. They need their guardian Angel. I love you and miss you. Jesus, please be close by my wonderful, Patrick. I love you both... and Blessed Mother and God. Please help me carry my cross. Thank you. Amen.

Dear Patrick's mom,

I just read Patrick's life story, I could not stop crying. I am so sorry he was a handsome boy. I can see from his pictures, he was a nice and loving son, I know how hard it is, please take care of yourself, I know that God is watching over you and your family, and I know for sure that Patrick is watching over you too, he is an angel, now he is helping God in heaven with His heavenly work, I know that you all are missing Patrick, but the only way is God, faith in Him will help go on, I miss my precious daughter Isabella, everyday and I will for the rest of my days, sometimes I can't even see her pictures, someday I can. You all are in my thoughts and prayers for now and forever, God is taking care of Patrick, he is an angel, he is free, and he doesn't want to see you sad, I know it's hard, the anger inside of our hearts, but know that someday you will see Patrick again in heaven.

Take Care

God bless you all.

Hi, Patrick

I just got home from visiting my grand-mother in Pawtucket. She is really not doing well. Her face is all swollen. She slept the whole time I was there. Keep an eye on her... she needs an angel by her side. All right, good night. I love you.

### ***Mom***

Hi, Patrick.

It's Mom, again. I am going to visit my grand-mother at the nursing home... she is not doing too well. Watch over her please. I am going to watch Michael Jackson DVD before I leave. I hope you will be watching it with me. I will see you later on at the cemetery. It breaks my heart to go there, but I feel now it's my second home because of you... until it happens for real, when you and God come for me. For someone who was petrified of a sight of any cemetery, never mind visiting it, it's a big turn around. It's crazy to say it, but I feel safe, not afraid when I am at the cemetery with you. I still feel deprived, pained for knowing my poor son is under ground. But what else can I do, but praying for strength to accept my fate and be with my son. I know your spirit and soul are alive and well and guarding your family.

I will keep putting Michael Jackson songs every time I visit you. I promise. I pray that you and Michael are together in heaven, and you are both enjoying your moment, as we did when you were alive. Yesterday, I ordered some more DVD of Michael Jackson and a book, " Moonwalk." I believe it is about his life, his legend. I also pre-Ordered this last DVD movie, "THIS IS IT." He will always be a special bond between you and me. I love you and miss you... I also love Michael and miss him. Here is a picture of him... I want Michael to be a part of this beautiful and memorable website... this is another bond for a mother and her wonderful, loving son... your website. For me, it feels real nice to communicate with my son... a beautiful daydream, fantasy gift for the both of us.

Hi, Patrick.

I just type the password in your computer for Frederick to play the World WarCraft. I hope he is playing on your honor. I don't know who is more addicted to the game, you or Freddy. I don't let him play as much as he wants to, which would be almost around the clock. I just don't want your computer to break because I would be very hurt and devastated if it happens. So I try to limit the quantity of his time on your computer. I don't mind Freddy to spend some few quality time playing your favorite game because in my mind you would be playing. I am still hoping you are sitting by his side when Freddy is playing World WarCraft. In the meantime, enjoy the picture whenever someone is browsing your website. Rest in peace and be joyful. Hi, Son

I am back again. I want to send you from my computer to your new home. I know it was not by choice to you left your home of almost twenty-one years. From what I heard from Monica, you tried so hard to get better that July 14, at the doctor office. You asked to your primary doctor, "what the best thing to do" The doctor just ignored your well-being and his duties as a doctor... he gave you a choice instead of helping you. The ER doctor didn't help you either. God, I am so angry and feel so guilty about this whole fated medical negligence. I just can't stop thinking about this whole nightmare. Sometimes, I wish I would open my eyes and you will be right in front of me and tell me the nightmare is over..." I am back home where I belong with my mother, my father, and my brothers." It tortures me when I think that death happens only once with no return. When life is gone... it's really over.

Gosh, I did not finish telling you why I was back on your website... I got sidetrack by my anguish and poured my heart out again as usual. Anyhow, here is a rose for today well spent time with you and Michael Jackson. Be happy so I can be. Love, Mom.

Hello, my Son

Patrick, this morning, it was reminiscence time about a memorable moment I had with my son the day Michael Jackson passed away. Remember, you and I, were watching Michael videos all day and night. And this morning, I found myself out of the blue wanting to watch Michael DVD's... all four of them I bought three months ago. I never got the chance to watch the videos because I had received them by mail the same week God called you home. I can't never forget that memorable moment with my son, but little did I know it was actually a farewell moment I was anticipating and participating. It was a cruel stunt on Mother Nature part, isn't it? Don't get me wrong, I am not afraid of dying... it just never cross my mind I would bury my own child. It's unfair to me and you.

Anyway, this morning was a nice and sad day for me while watching the videos and remembering my great loss. I hope you were watching the videos with me and remembering our moment. But I am still grateful to share that memorable moment with my son, even though it was a cruel joke on me. You really have taught me a great lesson about life, fate, and destiny. Life is surely too short for us, mortal sinners. So we need to really focus on the golden rule, "Do unto others as you would have them to do unto you." I kind screw on that one up with Celine... I kind hurt her feeling unknowingly. I guess I need to think before opening my mouth. It was just an impulsive reaction that came out before my mind got the rule. Well, I did apologize. I

know I am a good person, but I need you by my side to turn me into a greatest person. Deal! We all have our minuses and pluses flaws we can't help sometimes.

Patrick, I am so lost without you in my life, and I don't know what to do with my loneliness and emptiness. I just hope I don't loose it. Help me take care of myself. I would like to go to heaven sane but not crazy. I miss you and love you.

**Patrick, your mother also has lost a great son. I know God will take care of you in heaven... but I still wanted you with me because I miss you so much in my life. I wish and pray that God give me the faith to accept my great lost, and the wisdom to understand it. I also pray for God Divine guidance to give hope to cope with my pain without my son in my life... it's very hard for me to endure these sufferings. I need your help and our Holy Father's Hands over me.  
But, Patrick, rest assure that your memories and my love for you will always nurture my broken**

heart, my soul. May this bright light always shine upon you in your eternal rest in heaven, and give you eternal joy and peace. See you around. Love, Mom.

## **I NEED YOU, SON**

Hello, my Son

Patrick, yesterday I sat at the computer all day and night trying to work on your website. I hope you like your website, and you will be by my side to give me some great ideas and the focus to do well by you... as

you can see it is still under construction.

Anyhow, I was out of luck in finding any good poems that could define your trait and my love for you, so I could put it on your site. Suddenly, some sweet and sad melodies of you were whispering in my ears and uttering in my thoughts... so I wrote a couple. Again I hope you like them. I also try to upload a World Warcraft trailer from Youtube onto your website, that didn't work either, but instead, the video found itself home right on your home page. As you already knew and still do, your mother is still trying to learn technology, the computer. But, I can't learn how to live without you. It is the saddest and hardest deed I have to do or endure. How can I go on with life with the piece of my womb missing? I have four sons who had cut my heart into four sections as well as my womb. And now that you are gone to Heaven so soon, what am I supposed to do with these two empty holes in my heart and in my womb? How will I ever fill the spaces?

Please, Patrick, stay close by me, in case I stumble because of my heart that is getting weaker by the moment from missing you so much. You can carry me in your arms and take me where you think I should be.

Every time my computer had giving me trouble, you used to come to my rescue and fix the problem. Where are you today? I need you and miss you. Last time, the internet went down, and no one could not find the problem or fix it. First, it was Freddy that had tried to fix the problem; then Kevin came to the rescue with no luck. Even Steve, the computer man, could not make the internet to work. Your magic wand that had always saved my day is gone with you. I missed those moments as much as I miss you.

When I used to yell at you about your education, you just politely said, " Go upstairs, you don't know what you are talking about?" Gosh, these words are still echoing in my ears, and I missed hearing them. You are the one son, you had never yelled at me back or screamed at me, or disrespected me.

Since you left me on that fated morning, your memories, those last unmerciful twenty four hours of your short life; our special moment in your bedroom, which you didn't get the chance to enjoy long enough... that memorable day in your bedroom I still see it so clearly, when we were watching and listening to Michael Jackson videos. All these sad and happy moments are constantly haunting my mind, thoughts day and night. These good and bad memories are intertwined in a repeat motion to my over-crowded mind alongside of your shadows... all these memories are again haunting me and piercing my heart. I would like to know and understand the purpose of my great loss, your life... a sweet life that was full of hopes and dreams for you and me, was unfairly cut short... why? Your father and your girlfriend, Monica and your

brothers, Frederick, Kevin, especially, Steve who was looking for all three of his brothers to be his ushers on his wedding with Tina... they are all in disbelief with your brusque passing. Alyana missed you a lot. I hope you are looking at her picture frame of love for you every day at the cemetery. It's too bad Braelynn is too young to remember her great uncle. But I hope and wish Steve would be a great coach for that wonderful deed.

My mother said that you can see us, but we can't see you. I hope it's true, so when you see me doing something wrong or say it unknowingly, you will stop me and redirect me. Since you left me, I am out of focus, strength, and lack of will to do anything. I want to be a great person, mother, grand-mother, etc... I hope I am. My greatest wish, is to accomplish my deed before I join you... to help the world. I know charity, philanthropy, is the way to win the road to Heaven. So when my work is done here, with the grace of God, Jesus, and Blessed mother, you can come for me. Death is not a fear to me anymore. Life is unsure, but death is certain, as Jesus, is certainly the Eucharist... the body of Christ, Blessed Mother is Our mother, and God is Our Creator... and you are certainly forever in my heart.

## THE MARTYR OF LOVE AND LOSS OF MY SON

The love for my son, Patrick, began the moment I found out I was pregnant.

At five months pregnant, I could not do any house chore, because the pressure of the fetus was unbearable on my womb but acceptable for the undying love of my unborn child.

July 17, 1988, at 5:20 in the morning, a healthy, big, and cute baby boy was born exactly 9 lb, at Women \$ Infant hospital. I named my baby, Patrick Christian Barbosa after the actor, Patrick Swaze, because I was so fond of him and his talent.

Patrick was a quiet baby, an active child, and again back to a quiet, shy, friendly adolescent.

On July, 15, 2009, at around 11: 00 in the morning, my beautiful Patrick passed away in his sleep without a

warning after a wonderful journey of twenty short years of his life.

I am left behind in shock, in despair for longing my son and understand my horrible loss.

Believe me when I say my heart won't let me go of my pain and suffering since God called my son home.

I know sometimes, people insensitivity may mean well, but their words still cut deep into my broken heart and weaken it even more as I shed uncontrollable sad tears.

No one understand my love for my son, Patrick or my unforgettable loss... even a mother herself.

My love for my son is unexplainable, unimaginable, unconditionally beyond all the virtue of true love.

Now, imagine me with that same feeling of loss...

It's unthinkable, unspeakable, intolerable beyond all the virtue of hope to get past the reality and the faith that God, Our Creator knows best.

Now I pray and pray for Patrick and me and for my thoughts good or bad.

I cry and cry for my great loss, my broken heart; my longing for my beloved son, Patrick

I hope and wish to see my son just once and tell him I love and miss him so much beyond words and life itself.

Until we meet, Patrick, rest in peace eternally in Heaven.

As you were an angel on Earth, your wings will now spread bigger in Heaven and upon the blue sky... your favorite color

Please watch over your family and help me heal and be in peace.

### **LONGING FOR YOUR PRESENCE**

Hi, Patrick

Today, I had a counseling session with the Deacon, but he turned to counsel both your brother Frederick and me. I am relieved that your brother did open up with the Deacon. I hope you can hear my pleas about your brother. Please watch over Steve, Frederick, and Kevin and make sure they are safe and happy. For me, I am just taking one day at the time with my journey of grief. No one understand what I am going through or feeling without you in my life. I keep saying it's insane to think far ahead that I will not see you again until we meet in Heaven, because I don't understand the reason you left me. I pray that you and God would make me understand and accept my great loss. I guess God knows best, but my broken heart does not understand or get the concept that my son is gone and is not coming back to me. But, Patrick, you need to let God know that my loving is gone way too soon. What happened to my hopes and dreams for you? Why do good people have to go so soon? Why do a young person have to go? I can't get it.... I just can't now. I wish people would stop telling how to grief or when to accept it and move on. I am too lost, hurt, angry to think about my emotions, my loss. I just feel alone and numb....all I can do is cry because I miss you so much. My hopes and dreams for your futures are gone and shattered in a matter of one fated

morning along with my life. Please tell God to forgive me for my bad and selfish thoughts... I am hurting too much. You were a great, respected, kind, hard working man. You deserve to live your life and dreams to the fullest. I know I am not the only who has lost a child, but I am speaking for myself, my pain, my

anguish; my frustration... and the hopes I had for all four sons. I hope you are happy and in peace in Heaven because that would be my only console to go on.

I know I have your bothers, Steve, Frederick, and Kevin, but I wanted my four sons in my life. Life is cruel for sure. You will always be alive in my heart, soul, and heart... and this world. I promise. I am trying very hard for my loving son to be remembered forever. As always rest in peace and be happy. Love forever, Mom.

My son Patrick had such a great relationship with his girlfriend, Monica of almost three years. They had a

great plan for their future that never got the chance to come alive. Patrick was the only son I didn't have to worry about his relationship with his wonderful, shy girlfriend just like him. I remembered one true moment of love with Patrick and Monica, which happened three weeks before my son passed away. Patrick was having for the first time his own bedroom because he had always shared a bedroom with his brothers, mostly with his younger brother Kevin. Anyhow, that memorable day, Patrick and Monica moved his bedroom set from one room to another; then they set the whole bedroom just the two of them while joking, chatting, laughing, smiling. I told my husband, " What a pair!" They were just a great team setting and decorating the whole bedroom together: from setting the bedroom, to putting up the windows shades and curtains... they even put a new lock at the door.

In the middle of setting up the bed, Monica, unknowingly had one of the screw of the bed in the pocket of her jacket. After looking for the screw everywhere, they decided to go to Wal Mart and get another set of screw, and that's when they found out that Monica had the screw all along in her pocket. When they came back home, Patrick decided to take the blame for that crazy forgetfulness for his girlfriend. This is the wonderful Patrick every one knew and loved. Nothing bothers him. He takes in every thing with a smile, a laugh or a joke. It is hard to believe that Patrick was a shy, quiet boy with full of sense humor. I say he was sneaky with his fun tricks. Forgive me Patrick. Gosh, I miss my son so much, and it aches even deeper through my broken heart to think I will not see my son until we meet in Heaven. It's insane and unfair!

Always loved, missed and remenbered for eternity and beyond! Always will!

I MISS YOU, MY SON

**YOU ARE BOTH LOVED, REMEMBERED, MISSED FOREVER**

The day, Michael Jackson passed away, my son Patrick was watching Michael videos all day and night. I was also watching them with Patrick. I would have never imagined that three weeks later, I would mourn my son Patrick... death is surely the cruelest thief of all. Today, since my beloved son Patrick passed away, all I do, is listening to Michael songs, especially "You Are Not Alone." I even listen to the songs with Patrick at the cemetery. I just sit at his gravestone for hours, praying, crying, talking to him while listening softly to Michael Jackson songs.

I surely can't forget Michael Jackson not only for his great gift in entertaining the world or great humanity and philanthropy, but most importantly, for the bond he had with my son Patrick through his music and

him as a unique human being.

Rest in peace Patrick... rest in peace Michael Jackson. You are both always loved, missed and remembered forever. I love you Patrick.

The background of the entire image is a soft, sepia-toned photograph of two roses. One rose is in the foreground, slightly to the right, and is more open, showing its petals. The other rose is behind it and to the left, appearing as a tighter bud. The overall tone is warm and nostalgic, with a grainy texture typical of old photographs.

*January 1, 1988*

Patrick has three brothers, Steve, Frederick, and Kevin. We have been living in West Warwick for ten years. Ever since I can remember, my house has been full of kids from the neighborhood, school, etc. When I got married, I lived in Boston, Mass where Steve and Frederick were born. We moved to Pawtucket after living almost five years in Boston. Patrick and Kevin were born in Providence. We lived in Pawtucket from three different houses until my elder son, Steve, began high school; then

we moved to West Warwick.

Before we had moved to West Warwick, I told my boys that we are moving to a small town... the neighbor is very calm. There are no kids outside. They told me, "Don't worry Mother, we will make friends within two weeks." I figure, we will be living in a quiet neighborhood, and I will not have their old friends crowding my house all day, because it's about half an hour driving. Was I wrong? Soon we had moved in, my sons started bringing new friends home. My house is still full of kids, boys, girls.

After two decades of noises, wrestling, arguing among the boys ( Patrick was very quiet as he was growing up. He had changed into a nice, kind, polite, and respectable son, friend) in my house, the whole atmosphere is changed. Steve has his own place. Patrick left my life to join God. I am very happy that Steve has his own place with his family. But with Patrick, my whole world, life is gone with him. My life is changed for the worse until I meet again my loving son. I can't think or want anything else but my Patrick in my life.

### **MY SON, PATRICK CHRISTIAN BARBOSA: A beautiful Life begins**

Patrick was born, July 17, 1988 at women& Infant hospital, in Providence. He was a big baby but the quietest baby among all his siblings. Growing up, he was a tough boy who loves to wrestle with his two elder brothers, Steve and Frederick and also his younger brother Kevin. Patrick was a very active child during his childhood who loves to play different activities, sports, etc until he reached adolescence, where he started to mellow down again into a quiet but still friendly, respectable son, brother, friend anyone could wish for.

Patrick loved to play the game World WarCraft on the computer. He practically lived in front of his computer. He was dating a wonderful, quiet girl like him for almost three years. Patrick was the one child I

was not worried about his future when it comes to relationship. He had a great, amazing relationship with his girlfriend, Monica. My son was enrolled at the community college of Rhode Island and was majoring in Computer Programming. He was even attending summer school until that fated week in July 14, 2009 where our lives changed forever, especially my life. Since my son, Patrick passed away. I don't know who am I or where am I going? My life is completely empty. My day begins every day the same horrible way full of painful memories of the last twenty four hours of my son's life that are torturing my mind and piercing my broken heart deeper and deeper. My constant crying of losing a piece of womb and the restless sleepless nights are unbearable. My great loss is unthinkable and no one could ever understand my pain or broken heart.

Patrick was sick one weekend with headache and vomiting. That Tuesday, July 14, I called his primary doctor to see my son right away. Monica and my oldest son, Steve took Patrick to the doctor, where his doctor gave them a choice to go either home or to the emergency department, after his primary doctor has reassured Patrick that he would be fine. Monica took then Patrick to the ER where my son was released several hours later after the ER doctor also said that my son would be fine... his diagnosis was a GI bug. The next morning my worst nightmare started the moment I found my poor son lifeless in bed. Tragically, my son passed away from a brain edema not so-called GI bug. I don't know what went wrong from the last twenty four hours of his life? One day my son was fine, and the next fated morning Patrick was gone without a warning or a goodbye. Today, I am left alone, in shock, hopeless, helpless, with a lot of anger, guilt, and some unanswered questions. What happened to my son? Why? It's so unfair!

I still don't understand my sudden loss of my beloved Patrick... and I can't accept it. I am praying to God for help with every breath I take. I am so angry and I don't like the feeling... it's not me. Patrick was such an angel in this Earth, and he left an impression of his kindness, quietness, generosity, his angelic heart. In addition, he left his virtue of love and respect everywhere he went or everyone he had encountered in his short journey of life. These compliments are not just from my heart but everyone else's heart who came to visit me. I can't stop thanking people for their sympathy and support as much I can't stop crying, missing, and hurting for my anguish, pain, loneliness; and longing for my Patrick.

### ***July 17, 1988***

Patrick was such a quiet baby. He was born July 17, 1988. When I left the hospital with my baby, I was in a lot of pain on my lower back and stomach. I took some pain medication before I left the hospital thinking

it will eventually go away, but it never did. I got home with my baby, and the pain got more intense. The next day, the pain got so bad that I couldn't hold my baby. I was crying for my physical pain and also for my emotional pain because I could not take care of my baby, Patrick. Luckily for myself and my baby we got rescued from my aunt who came from Senegal for a visit... and also the weather. It was mid-July, a nice summer, so my aunt could walk every morning to my house from where she was staying to take care of my baby.

After three days with pain, the doctor finally found the problem: I had Urinary infection. A week later of taking some prescribed antibiotics, I was back to being a mother to my poor baby. All I could do then is staring at my baby with tears while I was enduring my crucial pain. Thank God my aunt was here in America for a vacation because I don't know how I could have took care my baby.

And today I don't know who is going to rescue me from my eternal pain for loosing the same baby boy whom I was yearning to hold in my arms for a week. My pain now is unbearable to even think about it.

***August 25, 1989***

I got pregnant of my younger son, Kevin, when Patrick was only five months old. The day the doctor called me to give me the news, I was feeding my baby, Patrick his bottle. The phone rang and I picked the receiver while still feeding my baby. Soon the doctor told me I was pregnant again, I was in shock as tears mist my eyes and poured my sad face. After I hanged up the phone, I kept staring at my baby, crying while feeling sorry for my baby. How can I get pregnant again, my baby is just five months old? I thought it was unfair for Patrick. But life goes on because I have another baby growing in my womb who need

me too. I took care of my baby and myself to have a healthy pregnancy... I did well.

Today again, all my boys are big enough to take of themselves, but who will take care of my agony... Patrick is gone. He is not in my life anymore. How am I supposed to go on with life. I can't say anymore that life goes on because I am now living a nightmare. What's the future hold for a lost mother who has no clue how to take care of herself never mind her family.

***August 25, 1989***

The day before I had my younger son, Kevin, I was outside with Patrick and my landlord. I told my landlord, " I am due in a few weeks and Patrick is still not walking. ( Patrick was thirteen months old.) She

answers, " Are you kidding! Patrick is too lazy to walk. " " you will have to carry two babies for awhile." I said, " I hope not, Patrick is a good baby. He will help his mother." The next morning I was in labor and Patrick was still not walking. I headed for the hospital while I believe my sister took Patrick and his two elder brothers, Steve and Frederick to my aunt's house. I had Kevin in the afternoon. My family came to visit me in the evening at the hospital. My aunt said, " Guess what? Patrick is walking all around my house after taking a few steps with me." I was so happy to hear that wonderful news. I guess Patrick was waiting for his mother to go to hospital and have her baby before he gave me my wonderful surprise and gift of being a new mother. Great job, Patrick! You were a great baby, a wonderful son who has never disrespected me... and I am sure you are a great angel where you are. Keep up the good work, Son. I wish and pray you would have kept that great job right here with me where you belong. You were gone way too soon. Life is shattered now. Is it fair for your poor mother?

**April 4, 2007**

April 4, 2007, I worked 16 hours that day... my birthday, and when I got home after midnight I was surprised with a birthday cake, a bouquet of roses from my four sons: Steve, Frederick, Patrick, and Kevin. Patrick gave me a foot massage, which I never got used to. I will try use it one day for Patrick because I don't have the desire to do anything. That day, we had Pizza and the birthday cake. It was a very nice, touching birthday surprise that I did not expect.

Patrick's favorite food he usually eat the most that you would not see me eating as to me they are chunk foods. He liked Pizza, cheese sticks, chicken wings, potatoes, brownies, chocolate cookies. He loved to bake brownies with his girlfriend Monica. When I come from food shopping, the first food items Patrick goes through is the loaf of white bread. He started to eat couple of slices at the time. Patrick loved to drink chocolate milk. I used to buy six gallon of milk a week because the boys go through a lot of chocolate milk a day. Every Friday when I see a box of pizza on the kitchen table I knew it was from Patrick. He ordered pizza every Friday with Monica. God, I miss him, his memories so much. I can't understand why Patrick is not here? It does not make sense.

**Patrick enjoyed ordering Pizza, cheese sticks, chicken wings on Fridays with his girlfriend Monica.**

**Patrick, also enjoyed baking some brownies or chocolate cookies with Monica. These two were a great team... couple. Today, everything is gone in a blink of the eyes. It's so unfair. Life is unfair.**

**Patrick could drink chocolate milk or eat his white bread all day.**

**Pineapple juice was his most favorite beverage, next to his chocolate milk. Ovaltine milk is a very nutritious, delicious drink, for that, the boys go through six gallons of milk per week. I usually get the milk at Cumberland Farm. The clerks always say, "Why don't you get yourself a cow instead?"**

**Patrick had always enjoyed his glass of chocolate milk and some slices of white bread. The chocolate milk had to be very strong. He just poured in the Ovaltine in a glass of milk without a spoon.**

I never knew how much  
love a heart could hold,  
until somebody called me  
mommy!

**Gosh, I miss my Patrick. Life will never be the same without my Patrick.  
I will always have my four boys in my heart, soul, mind, and life.**

**Patrick and his brothers will always be bonded FOREVER.**

**Christmas was a special day for Patrick. My four boys used to wake at 5 o'clock in the morning on Christmas Day and knock at my bedroom door to get us up. The boys would not stop knocking and calling us until mu husband and I wake up and open the door. Steve, Frederick, Patrick, and Kevin would run drag us to the living room to open the presents. I miss those memories. MERRY CHRISTMAS, MY ANGEL PATRICK.**

***May 10, 2007***

Patrick went to West Warwick high with his younger brother, Kevin. Patrick was thirteen months older than Kevin. After graduation, Patrick went to the Community of Rhode Island College for computer programming. It's so unfortunate that my son did not get the chance to fulfill his hopes and dreams. Why? I will never get my answer until I meet him. I love you Patrick.

***July 15, 2009***

Patrick attended West Warwick high school and graduated in 2007. He went to the community college right after high school to major in computer programming. Patrick was a quiet, kind person, son, brother, and friend. He has left me in shock, lost, confused, helpless, hopeless, and in a lot of anguish. I wish I knew what really happened at the hospital before they had sent my son home for the last time of his life. Why the doctors did not help my son? I need some answers. I miss my son so much it aches deep into my soul. Patrick was too quiet to ask for help. I wish my son told me about his headaches that unfortunate weekend. I wish I didn't believe the doctors at the ER and seek another opinion... what can I say? I trusted the doctors to help my son, and now I am here with a hole in my chest and my son far away from

me. I love you Patrick.

MY FAMILY IS FOREVER: PATRICK IS STILL ALIVE!!!

MY ETERNAL FAMILY: LOVE NEVER DIES

PATRICK'S LIFE, FAMILY: BEAUTIFUL MEMORIES

PATRICK'S MILESTONES: A BEAUTIFUL SON

A tall young man with a heart of child.  
As Patrick was growing up, his body was  
changing but his beautiful heart never grow out his  
childhood. Patrick left a tremendous impression with his family  
everyone he came in contact in his short life.  
Patrick was a garden of flowers.

WE LOVE YOU AND MISS YOU  
LIFE IS EMPTY WITHOUT YOU  
BUT YOU ARE STILL ALIVE IN MY HEART.
